

Changing lives. One child at a time.

Lotus Petal Senior Secondary School, Khasra No. 12/2, Dhunela-Berka Road, Village Dhunela, Sector-31, Tehsil Sohna, Gurgaon - 122103, Haryana (India)

LPSSS / Every day in APRIL

EVENTS

1. Mr. Amit Chadha Visit

On the 9th of April 2024, the CEO & Managing Director of LTTS, Mr. Amit Chadha, graced our campus with his presence. During his visit, Our students showcased their innovative models, demonstrating their creativity and technical prowess. Mr. Chadha had the chance to witness their ingenuity firsthand, gaining insight into the talent nurtured within our institution. In addition to observing the activities, Mr. Chadha took the time to interact with Grade 9B students. This direct engagement allowed for valuable exchanges, where students could glean insights from his experiences and expertise in the field.

2. SPONSORING EDUCATION AS WEDDING RETURN GIFTS

One of our donors, Neha & Aditya, sponsored the education of 37 children from Grade 4C at Lotus Petal Senior Secondary School as a way to spread the "JOY OF GIVING" during their nuptials. They gave everyone of their 37 guests a gift card containing information about the sponsored students as a thank you. Despite being situated abroad, they continue to be involved and just had a heart-to-heart video chat conversation with the pupils. They discussed tips for starting early in life to prepare for a successful career as engineers. Our youthful, talented engineers carefully took note of every detail.

3. BMI

"Healthy mind lives in a healthy body."

Both general well-being and academic achievement depend on maintaining healthy health. Students that are in good health are more capable of focusing, engaging fully in class activities, and reaching their full potential. With the aforementioned points in mind, LPSSS performed an extensive medical For III to IX graders, during the first week of April in the year 2024. During the medical examination, each student's weight and height were recorded. These factors are crucial markers of a child's development and growth. The information gathered from the physical examination was carefully documented and examined. This involved gathering each student's unique height and weight data and computing pertinent metrics like the Body Mass Index (BMI) for additional evaluation.

4. Kalagram

The Kalagram Society for Fine Art organized a vibrant event in celebration of Earth Day at the Urusvati Museum of Folklore on the 19th of April 2024. The event aimed to raise awareness about environmental conservation and sustainable practices through various artistic mediums. Students from our institution enthusiastically participated in the event, showcasing their talents in nukkad natak and collage making. Their active involvement added a dynamic dimension to the event and helped convey important messages about environmental stewardship to the audience. Overall, our students thoroughly enjoyed their participation in the Earth Day event at the Urusvati Museum of Folklore. Through their performances and artwork, they not only showcased their artistic talents but also contributed to the larger cause of environmental awareness and conservation.

5. Blood Test and Eye Check up Camp

"Healthy citizens are the greatest asset any country can have."

- Winston Churchill

In collaboration with the Niramaya Charitable Trust - India, the Lotus Petal Senior Secondary School held its yearly health check-up camps in April, with an emphasis on blood and eye exams. As part of its objective to promote holistic development, LPF places a high priority on health. Tests for a number of factors, including lipid profiles, blood sugar, hemoglobin levels, and other critical markers, were part of the blood checkup camp. LPF arranged an eye check-up camp in addition to the blood check-up camp. This camp was organized by the Niramaya Charitable Trust - India, which provided staff and students with eye exams and vision screenings. The goal of the camp was to diagnose eye conditions, refractive defects, and other vision-related problems. Students in need received eyeglasses from Niramaya Charitable Trust - India as part

of the eye check-up camp. LPF seeks to advance access to critical therapies, early diagnosis of health conditions, and preventative healthcare through programs like blood and eye camps.

6. Foundation Day

"Develop a passion for learning. If you do, you will never cease to grow."

On April 18, 2024, Lotus Petal Senior Secondary School marked two successful years of academic excellence and overall development with a fervent celebration of its second foundation day. The customary lamp lighting by dignitaries kicked off the ceremony and set the mood for the celebrations that day. The celebration's theme, *"Pancha Tatva - A Message for a Sustainable Future,"* emphasized the school's commitment to sustainability and environmental preservation.

The five elements—Prithvi, Aakash, Vayu, Agni, and Jal—were brought to life through a variety of dance acts, emphasizing the value of protecting our natural resources. Prithvi, Aakash, Vayu, Agni, and Jal were the five components that were introduced through a variety of captivating activities and performances. By adorning the school grounds with exquisite displays made from recycled materials, the students demonstrated their ingenuity and dedication to sustainability while also demonstrating their knowledge of environmental care. At the celebration, certificates for perfect attendance, club engagement, and academic performance were given out, providing an opportunity to honor and celebrate the accomplishments of the children. In addition, the school's founders, Mr. Kushal Raj Chakravorty and Co-Founder & CTO Ms. Saloni Bhardwaj, emphasized the value of recycling and responsible consumerism, giving the kids the tools they need to make decisions that would improve the world in the future.

7. Autism Awareness by Pure Heart Team

The Pure Heart team arranged the SAPNO KI UDAAN 2024 - Autism Awareness event on Saturday, April 27, 2024, which brought people from all backgrounds together to celebrate inclusion and spread love take place at Sector 65, Worldmark. Children from Pure Hearts, students from other schools, non-profits, well-known artists, and community members delighted the evening with their presence. They came together to support the inclusion of people on the autism spectrum in society and to celebrate the individuality of each person on the spectrum. Apart from the performances, the LPSSS students also displayed their talent in an amazing play. Their moving presentation, which highlighted the struggles and victories of people with autism, enthralled the crowd. The resounding applause from the crowd confirmed how crucial it is to spread knowledge and promote an inclusive society.

8. Renew

On the 19th of April 2024, our organization convened its first RENEW (Reflect, Engage, Network, Empower, and Work) session of the year. RENEW 2024 marked a significant milestone, bringing together all changemakers within our community for a day of reflection, engagement, and planning. The lively environment of RENEW 2024 was marked by lots of laughter and friendship. Engaging activities like Tongue Twisters and Never Have I Ever got the

day started, encouraging togetherness and fun among participants. The thorough evaluation of our organization's performance in the fiscal year 2023–2024 was a key element of RENEW 2024. After the review, the organization's future course was the main topic of discussion. In an active effort to further our goals and mission, participants offered concepts and tactics. The importance of creativity, teamwork, and flexibility in the face of changing conditions was emphasized. Additionally, RENEW 2024 gave people a chance to submit Voice IT comments, facilitating candid discussions and helpful feedback sharing. Reflections on our vision, mission, and culture of transformation were included in RENEW 2024, in keeping with our core principle of placing the child at the center of all our initiatives. Deliberate attention was paid to raising understanding of

the ways in which our day-to-day decisions at job and in life affect the expenses and caliber of care given to the child.

COMPETITION

INTER HOUSE COMPETITION

1. News Reporting

"If you can speak, you can influence. If you can influence, you can change lives!"

On April 10, 2024, an exhilarating Inter House Competition took place, involving students from Grade III to Grade IX. The event saw active participation from all four houses, each presenting their unique perspectives on the topics of IPL match news reporting and water conservation. Each house was represented by two participants, one from the middle school and one from the primary section. The competition began with students reporting on the latest IPL match, showcasing their journalistic abilities to summarize the match highlights, provide analysis, and offer insights into the players' performances. Following the IPL news reporting segment, the focus shifted to water conservation, a critical topic in today's world. Students shared innovative ideas, practical solutions, and compelling narratives to raise awareness about the importance of preserving water resources. Mr. Venkateshwar sir and Ms. Ankan, a respected figure within the school community, presided as the judges for the competition.

2. Card Making on Labour Day

“Art is the elimination of the unnecessary.”

– Pablo Picasso. ...

A blend of exceptional creativity and imagination was displayed by the students of Grade III to VIII during the "Greeting Card Making Inter house Competition" held on 29th of April, 2024 on the occasion of 'World Labour Day'. The students participated keenly and made beautiful card by the dint of their creativity. The students expressed their gratitude towards the school support staff and reiterated the fact that their contribution towards the day-to-day-running of the school is an important aspect of their life through their cards. This activity aimed at exploring and encouraging creativity in children and giving them a platform to showcase their skill. It was wonderful to watch the zealous students giving expression to their thoughts. Each of the cards made by the children was a treat to the eyes. This made the selection process extremely difficult for the Judges.

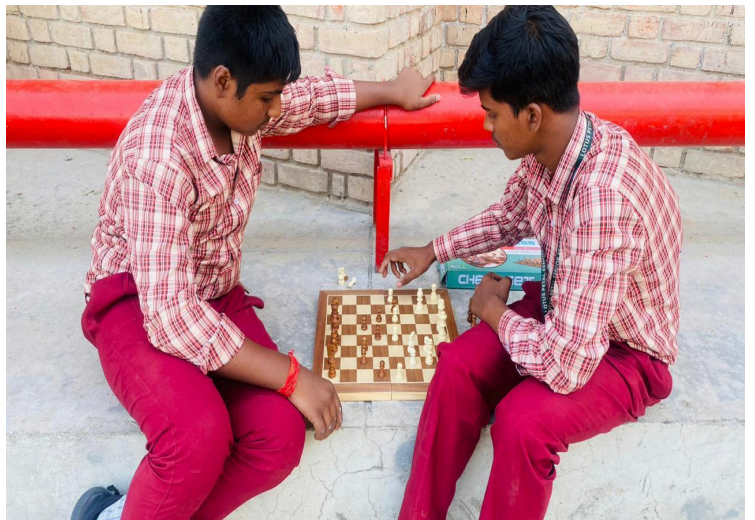

3. Sports Competition

"The only way to prove you are a good sport is to lose." -

Ernie Banks

On the 30th of April 2024, We hosted an exhilarating sports competition for the primary and middle wing students. This event was a welcomed break from academic pursuits, allowing students to engage in healthy competition and camaraderie through sports. The competition featured two main events tailored to each wing's interests and abilities. The primary wing students enthusiastically participated in a carrom competition, while the middle wing students showcased their strategic prowess in a chess tournament. Both events were held simultaneously, creating an atmosphere brimming with excitement and sportsmanship. The event provided a refreshing break, allowing them to unwind, socialize, and engage in healthy competition. Moreover, participating in co-curricular activities like sports helps students develop essential life skills such as teamwork, resilience, and time management.

Lotus Petal Senior Secondary School, Khasra No. 12/2, Dhunela-Berka Road, Village Dhunela, Sector-31, Tehsil Sohna, Gurgaon - 122103, Haryana (India)

CLUB FIESTA

1. Communication Club

(i) Bingo Word Activity

“Great communication begins with connection.” – Oprah Winfrey

The Communication Club event held on April 27, 2024, was to reinforce vocabulary learning in an engaging and interactive manner. Through the English Bingo Word Activity, participants aimed to learn new words, understand their meanings, and grasp their usage effectively. The activity was designed to be both educational and enjoyable. The activity commenced with the formation of small groups, each comprising 5-6 students. Each group was assigned a different theme, including Animals, Flowers, Fruits, Grocery, and Stationary. Once the groups were formed and themes assigned, participants engaged in identifying corresponding pictures related to their theme. Throughout the activity, participants displayed enthusiasm and active engagement. The interactive nature of the English Bingo Word Activity facilitated lively discussions within the groups. Moreover, the friendly competition aspect added an element of excitement, motivating participants to actively participate and contribute to their team's success.

Moreover, the friendly competition aspect added an element of excitement, motivating participants to actively participate and contribute to their team's success.

(ii) Speech Communication

“सही समय पर सही शब्दों का चयन करना ही व्यक्ति की अद्भुत क्षमता है।”

On April 6, 2024, the Communication Club organized a successful event with a theme of "आशुभाषण" (Speech Communication). Students from grades III through IX enthusiastically participated in the event, showcasing their speaking abilities in group presentations. A wide variety of talks were encouraged by the specially selected themes for each grade level, which were in line with their interests and level of comprehension. This activity's main goal was to improve students' vocal skills and increase their self-assurance in using speech sounds, gestures, and verbal communication to convey their ideas and feelings. The occasion also sought to encourage students to boldly and fearlessly investigate a range of subjects on social media.

● Grades III to V:

1. काश! मेरे पंख होते
2. मेरा प्रिय खेल
3. समय का मूल्य, स्वास्थ्य और फिटनेस
4. पुस्तकों का महत्व

● Grades VI to IX:

1. अनुशासन का महत्व
2. बेरोजगारी
3. कोरोना-19 का सामाजिक प्रभाव, 4. ऑनलाइन सीखने के पक्ष और विपक्ष
5. सोशल मीडिया के प्रभाव

Students relished the opportunity to perform in groups and gained useful communication skills in the process. In addition to improving their public speaking skills, the communication club also pushed members to participate in thoughtful debates on a range of subjects, which aided in their overall growth.

WORKSHOPS

1. Design Thinking

On April 26, 2024, a transformative workshop on Design Thinking in Education was conducted by Dr. Ankita Tandon. The workshop aimed to empower teachers with innovative approaches to education through design thinking methodologies. The workshop commenced with an engaging ice breaker activity where participants were required to introduce each other based on their unique qualities. Dr. Tandon initiated the session by posing a fundamental question: "Why should I bother about design thinking?" The workshop delved into exploring individual and team mindset blocks that hinder creative problem-solving. Various techniques and tools related to design thinking were introduced and discussed

in detail. Participants gained practical knowledge on how to implement these tools to overcome obstacles and foster innovation in their teaching practices. The interactive nature of the session, coupled with engaging discussions and hands-on activities, ensured an enriching learning experience for all changemakers

2. Classroom Management

"HOCUS pOCuS Everybody Focus"

The Teacher's Workshop conducted on April 26, 2024, centered around the theme of classroom management. The primary aim of the workshop was to equip educators with effective strategies and techniques to create conducive learning environments and address challenges encountered in the classroom setting. The workshop commenced with an ice-breaking activity, wherein teachers were tasked with representing their personalities through a single drawing. Following the icebreaker, the workshop delved into various aspects of classroom management, including top challenges faced by educators and strategies to overcome them. Another focal point of the workshop was the establishment of effective classroom routines and procedures. Participants shared best practices and practical tips

for developing structured routines that promote order and maximize instructional time. The interactive nature of the workshop, coupled with engaging discussions and collaborative activities, facilitated meaningful learning experiences for all participants

3. Student's Workshop - Health and Hygiene

"Invest in your health today to enjoy the benefits tomorrow."

Students in LPSSS's middle wing had the honor of taking part in an educational course on health and cleanliness on April 27, 2024. Ms. Dimpy led a workshop with the goal of improving students' comprehension of the value of preserving their health and the crucial connection between hygiene and health. Ms. Dimpy gave an overview of the several aspects of health at the beginning of the class, focusing on mental, emotional, and physical well-being. She emphasized how important it is to form good habits early in order to foster a lifetime commitment to wellbeing. During the workshop, Ms. Dimpy spoke eloquently about the critical connection between hygiene and health during the entire session. She clarified the important role that keeping good cleanliness habits plays in warding off disease and advancing general health. In order to promote a collaborative learning atmosphere, students were encouraged to contribute their thoughts and experiences. They had acquired useful advice and methods that they might use on a daily basis to keep their health and wellbeing at their best.

DAILY ACTIVITIES

1. Assembly

"A new school year means new beginnings, new adventures, new friendships, and new challenges. The slate is clear and anything can happen."

LPSSSS organizes morning Assembly on a regular basis, throughout the year. Every student gets the opportunity to showcase his/her talent vis-a-vis dance, music, poem dramatics, oration, etc. The objective behind is to give a platform to every child to exhibit their hidden qualities, sensitize them on various issues of social, religious national and international importance and inculcate team spirit and responsibility. We begin the school day with a prayer. A thought for the day, headline news, interesting facts, recitation of poem and skit followed by a rendition of the National Anthem are an integral part of the morning assembly. It brings all students to one platform. We start our day by making a firm commitment to do our best for the school and ourselves. The theme for the assembly for the month of April was *"Clean campus Green campus"*. The Well planned assembly is conducted class wise and clarifies school activities and programmes.

What we learned this month:

- April theme - Clean campus Green campus
- Poem, speech, role play - Importance of cleanliness, hygiene, Wastage of food, save trees, importance of self discipline and Gratitude, save earth
- Teachers talk :self discipline, personal hygiene, Gratitude, Respect others, Never give up, cleanliness, Earth day, Importance of education

2. Special Assembly

Communication Club

The Communication Club at our school, planned a spectacular assembly for April 29 and 30, 2024, respectively. Using a number of engrossing plays that the kids performed, the assembly sought to emphasize the value of education and to spread the word about achievement.

● PRIMARY WING

To underscore the value of education in one's life, the Primary Wing took the stage. The young children skillfully illustrated the importance of education in influencing one's destiny through a

captivating performance. They demonstrated the transforming potential of education in conquering challenges and realizing aspirations.

● MIDDLE WING

The Middle Wing students kept up the enthusiasm on April 30th when they performed the provocative play "Three Questions." Three central questions dominated this play: When is it appropriate to start something? Whom should one pay attention to? Which action is the most crucial to take? The kids addressed the answers to these issues through captivating performances, directing the audience

toward achievement and fulfillment. The audience was profoundly affected by the play and was prompted to consider their own lives and decisions. The gathering acted as a reminder of the value of education and the necessity of making informed decisions throughout one's life.

3. PTM

"Together MAY WE GIVE children the root to grow and the wings to fly"

For the academic year 2024–25, LPSSS hosted its first Parent-Teacher Meeting (PTM) on April 20, 2024, for children in Grades III through IX. The PTM commenced with an opening address, emphasizing the importance of parental involvement in the educational journey of their children. Parents spoke with their child's teachers throughout the session to learn more about their academic progress, areas of strength, and areas for development. Instructors gave thorough feedback, noting each student's unique development and offering suggestions for future improvement. The introduction of individualized learning plans—which are made to match the specific needs of each student—was a major topic of debate throughout the PTM. One of the major highlights of the PTM was the consensus reached regarding the collaborative efforts required from both parents and teachers to ensure the success of the students. As the PTM drew to a close, a short meeting with the principal ma'am.

4. Notebook Checking

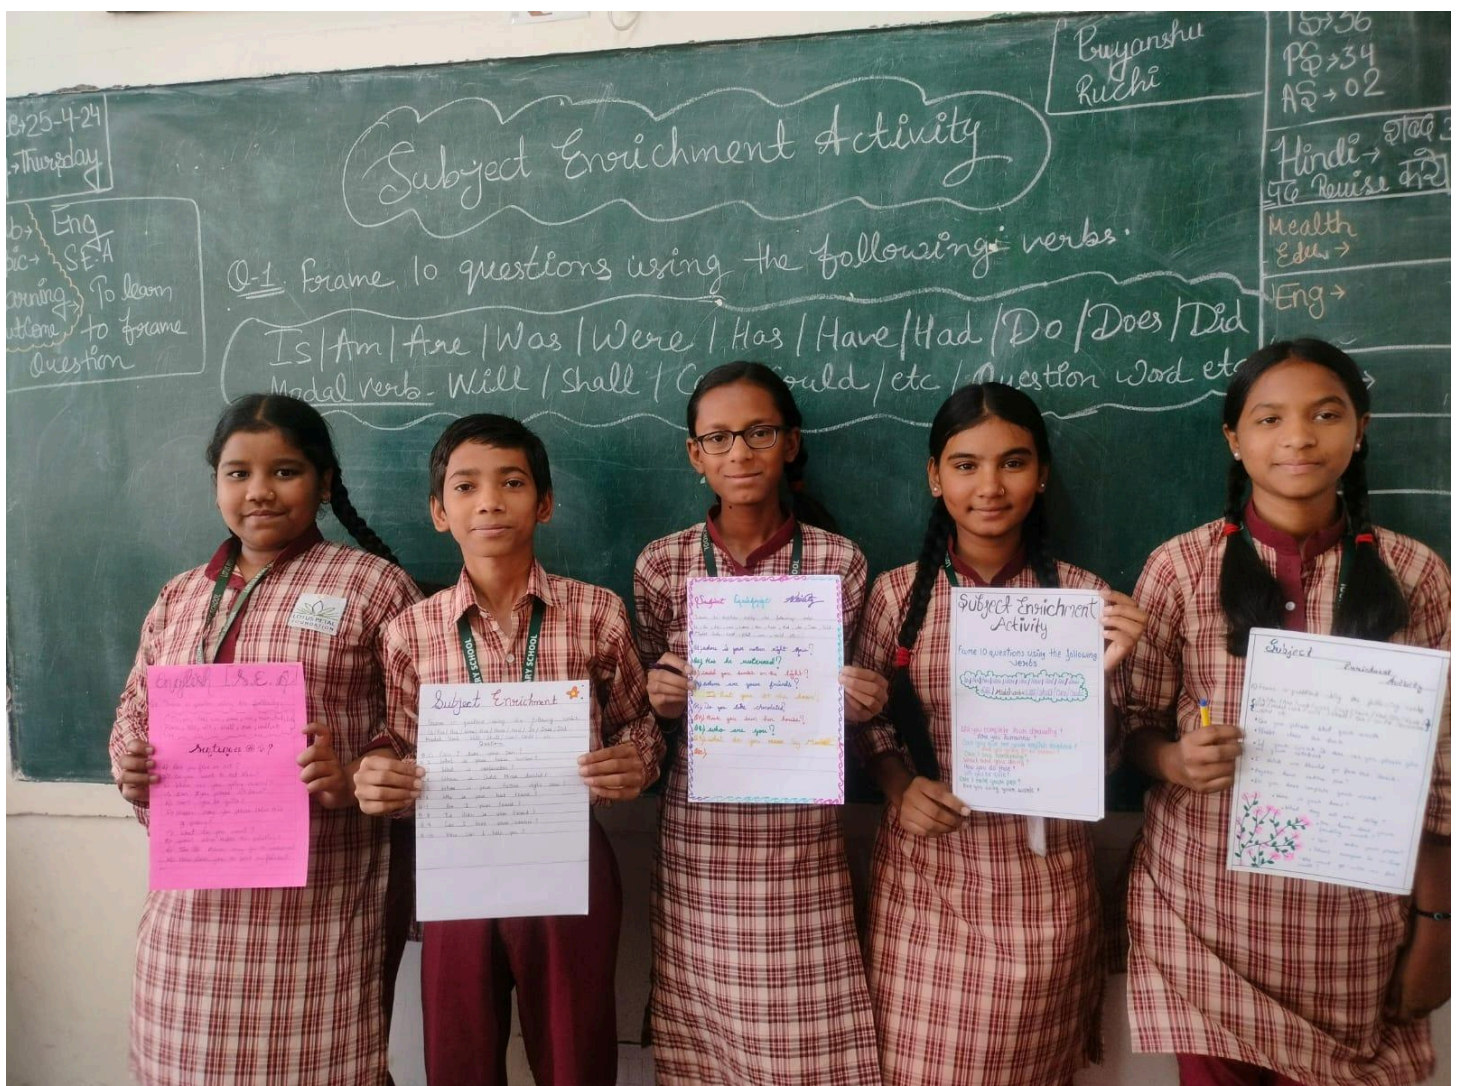

Our school held a Notebook Checking Day for Grades IX on April 16, 2024, as part of its continuous efforts to track pupils' academic progress and encourage organization and diligence in their studies. Teachers gathered the notebooks from each class on the appointed day, went over them methodically, and checked the accuracy, neatness, and completeness of the notes. Instructors evaluated the notebooks

according to preset standards, which included note completion, organization, presentation, and conformity to formatting requirements. Following notebook reviews, teachers gave students helpful input, emphasizing areas for growth and praising exceptional work. Students were inspired to keep aiming for academic achievement when they received positive reinforcement and were recognized for their excellent notebooks.

5. Subject Enrichment Activity

The Subject Enrichment Activity was a collaborative and interdisciplinary endeavor that sought to enhance understanding of the students by highlighting the connection between various subjects. The sessions which were held from 24- 25 April 2024, began with the respective subject teachers defining their shared goals and individual parameters for the Activity. The emphasis was on making the exercise joyful and encouraging meaningful discussions within the virtual classroom. In conjunction with learning and discussing environmental conservation concerns, economic concepts and geographical phenomena, the students focused on effective communication skills and presentation of ideas.
