Subroto Football Tournament

With Heart and Hustle: Our Quarterfinal Journey

On 5th June, Lotus Petal Senior Secondary School marked a significant milestone by making its debut in the Subroto Path Quarterfinals. This achievement stands as a proud moment in our school's sporting journey, reflecting the dedication and hard work of our team and their coach, Mr. Yudhishtir. In the quarterfinals, our team faced a formidable and highly experienced opponent from OISIS School, Malerkotla, Punjab. Despite the challenges, our players exhibited exceptional determination, sportsmanship, and resilience on the field.

A special commendation goes to Shivam of Grade 9B, our goalkeeper, whose remarkable performance included 8–9 crucial saves that demonstrated his agility and fearlessness. His efforts, supported by a strong defensive line, ensured that no goals were conceded in the first half—an achievement that showcased the team's focus and coordination. Our players also made several bold attempts to score, reflecting their growing skill, passion, and teamwork. It is worth noting that this spirited performance came after only 8–9 days of training, making the team's efforts even more commendable. We are incredibly proud of our players, who have set a strong foundation for future sporting success.

🌟 A special congratulations to Ms. Khushboo, who was honored with two Star Influencer Awards, a rare and proud recognition of her exceptional contributions.

The quarterly Townhall, held on 27th June, brought together the staff and faculty of LPSSS to reflect on the school's recent accomplishments and to chart a focused course for the upcoming quarter. The session was enriched by an inspiring keynote address from Ms. Mahasweta Ghosh, who emphasized the vital role of sports and fitness in education and personal development. Her insights left a lasting impression on all attendees and reinforced the importance of holistic growth. As part of the celebration, we also took time to recognize the dedication and hard work of our Senior Wing faculty members, who have consistently contributed to the school's mission and values. As we move into the next quarter, we do so with renewed energy, pride, and a shared commitment to achieving even greater milestones—together.

Rethink. Refocus. Relearn: Insights from the ASSET Workshop

On 24th, 25th, and 26th June 2025, a three-day post-ASSET workshop was organized for selected teachers to analyze and interpret the ASSET examination results in English, Mathematics, and Science. The ASSET exam, which was conducted in May, provides insight into students' conceptual understanding and learning gaps. The workshop was facilitated by Dr. Tanya Marina Brooks and Mr. Soumya Subudhi from ASSET. During the sessions, teachers reviewed the performance data, identified common misconceptions among students, and discussed areas requiring focused attention. The facilitators emphasized how understanding these gaps can guide better instructional strategies and lead to improved student learning outcomes.

BLOOMING WITH CHANGE: EDUCATORS EXPLORE NEP & NCF

IN HOUSE CBSE TRAINING

On 25th June 2025, a CBSE training session was conducted by Ms. Ruchira Verma, Principal of Lotus Petal Senior Secondary School, on the topic National Curriculum Framework (NCF) and National Education Policy (NEP). The session, aligned with CBSE Domain 3, aimed to deepen teachers' understanding of the key changes and pedagogical shifts introduced in the NCF under the NEP. Ms. Ruchira explained the significance of content flexibility, student choice, and the shift toward a more competency-based and experiential learning approach. She also elaborated on Bloom's Taxonomy and how it aligns with the NEP's focus on higher-order thinking skills. The training included engaging group activities and a quiz, where teachers were divided into teams, promoting collaboration and active learning. The workshop empowered educators to implement NEP-aligned strategies in the classroom, fostering a more student-centric teaching environment.

TEACHER'S LEADERSHIP DEVELOPMENT PROGRAM

Beyond Bias: The Educator's Inner Shift

On 26th June 2025, LPSSS organized a Teacher's Leadership Development Program for its educators, facilitated by esteemed trainer Mr. Mujib Mundewadi. The session was designed to enhance leadership qualities among teachers by focusing on the theme of reducing unconscious bias in both thinking and actions. Mr. Mundewadi guided participants through thoughtful discussions and reflective activities aimed at improving self-awareness and transforming the way we perceive and respond to everyday situations. The workshop highlighted the importance of understanding diverse stakeholder perspectives—be it students, parents, or colleagues—and emphasized how conscious efforts to reduce bias can lead to more inclusive, empathetic, and effective engagement within the school ecosystem. The session empowered our educators to become more mindful leaders, better equipped to foster a collaborative, respectful, and student-centric learning environment.

The Soul of Schooling: Understanding Value Education

IN HOUSE CBSE TRAINING

On 28th June 2025, a CBSE training workshop under Domain 1 was conducted on the topic "Value Education" by Ms. Monika Gupta, Headmistress of the Primary Wing at Lotus Petal Senior Secondary School. The session began with an engaging group activity where teachers were invited to brainstorm the core values they believe every student should embody as a changemaker. Ms. Gupta then provided a comprehensive overview of the concept of value education and the meaning, objectives, and significance of value education within the CBSE framework. She emphasized how value education fosters moral development, social responsibility, and emotional intelligence in learners. Teachers were introduced to various categories of values relevant at different stages of student development. The highlight of the session was a series of group role plays based on real-life scenarios, where each group enacted a situation, and the rest identified the underlying values being demonstrated. The workshop concluded with an interactive quiz that reinforced the key takeaways. The session was insightful, activity-based, and deeply impactful—encouraging educators to integrate value-based education meaningfully into their daily teaching practice.
