MAY 2025

A Day at School

Each New Day

At school we grow, day by day,

Learning in a joyful way.

Books and friends, and questions too,

Each sunrise brings something new.

From chalk and board to dreams so high,

We reach for stars beyond the sky.

In every class, a spark we find—

A brighter heart, a sharper mind.

IGNITING YOUNG MINDS: AI & ROBOTICS WITH CONCENTRIX

On 2nd May 2025, Lotus Petal Senior Secondary School welcomed a team of enthusiastic volunteers from Concentrix as part of their corporate social responsibility initiative. The team conducted an engaging session on "Introduction to AI and Robotics" for Grade 10 students. The session introduced students to the basics of artificial intelligence and robotics, highlighting real-world applications and future career opportunities. It was highly interactive, with students actively participating and showing great interest in the evolving role of technology. The school extends heartfelt thanks to the Concentrix team for inspiring young minds and supporting their growth in STEM fields.

AI: THE FUTURE IS HERE!

Bridging Hearts and Horizons: Cargill at Campus

On 14th May 2025, Lotus Petal Senior Secondary School had the honour of hosting the Senior Leadership Team from Cargill as part of their continued commitment to community engagement and education. During their visit, students of Grade 7A warmly interacted with the guests, confidently sharing their experiences and expressing gratitude for Cargill's support. In a thoughtful gesture, students presented handmade thank-you cards, adding a personal touch to the visit. The delegation toured the campus, engaged with faculty and staff, and gained insight into the school's mission and impact.

A TREASURE TROVE OF BOOKS

Call BA Visit

Enhances Cognitive Abilities

On 20th May 2025, a team of representatives from Call BA visited Lotus Petal Senior Secondary School to donate books to the school library, responding generously to the school's request to enhance its resources. The carefully selected books support both academic learning and general knowledge. Following the donation, the team conducted an interactive session with senior wing students, discussing the importance of reading and libraries in personal growth. The students engaged enthusiastically, sharing their favorite books and ideas.

BRUSHSTROKES BEYOND THE CLASSROOM: KNMA VISIT

20th May 2025, Tuesday

On 20th May 2025, Senior Wing students from Lotus Petal Senior Secondary School, recognized for their talent in visual arts, visited the Kiran Nadar Museum of Art (KNMA) for an enriching educational experience. The visit featured a guided gallery tour where students explored contemporary and modern Indian art, gaining valuable insights into artistic styles, history, and cultural relevance. This was followed by a hands-on printmaking workshop that encouraged creative experimentation and introduced them to a new medium of expression.

TALENT SHOW

Stage Meets Studio: LPSSSS Shines at Bain Talent Show

On 22nd May 2025, Bain & Company graciously invited Lotus Petal Senior Secondary School to participate in a Talent Show hosted at their corporate office. A group of 30–35 students took part in this special event, presenting a rich showcase of talents including yoga formations, a thought-provoking theatre performance titled AI – A Boon and a Curse, a dynamic dance jugalbandi, instrumental solos like tabla, and a live calligraphy stall. The event was a joyful celebration of creativity, culture, and confidence, offering students an opportunity to perform beyond the school stage, interact with professionals, and explore a corporate setting.

Brewing Bonds Over Buttermilk Zomato @ LPSSS

feeling india

On 23rd May 2025, Lotus Petal Senior Secondary School had the pleasure of hosting a seven-member team from Zomato for an engaging and interactive student session. The team conducted lively team-building activities with students of Grades 7A and 7B, encouraging collaboration, communication, and creativity. Students participated enthusiastically in group tasks that strengthened their interpersonal skills and built confidence. A refreshment break shared with the guests added a warm, friendly touch to the visit. The event was well-coordinated by the Academic, Facility, and Communications teams.

SMILE BRIGHT

DENTAL CARE MATTERS

Say Cheese! LPSSS Promotes Bright Smiles and Healthy Habit

Every tooth in a man's head is more valuable than a diamond.

– Miguel de Cervantes

From 5th to 8th May, Lotus Petal Senior Secondary School organized a Dental Camp for students from Grades 6 to 10, in collaboration with De9to. Recognizing that oral health is essential to overall well-being and development, the camp aimed to promote awareness and early dental care among our students. For many, this marked their very first dental check-up. The De9to team created a warm and reassuring environment, helping students feel comfortable and cared for. Along with screenings, dentists also educated students on the fundamentals of oral hygiene—demonstrating correct brushing techniques and sharing practical tips to prevent dental issues.

A New Dawn: Celebrating the Start of
V Block Construction

BHOOMI PUJAN Ceremony

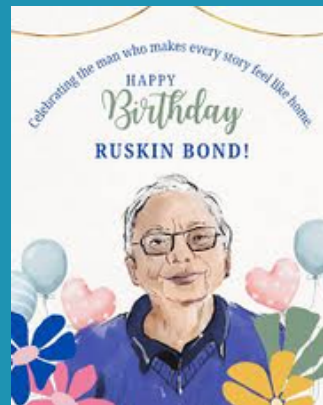

On 6th May, a spirit of enthusiasm and unity filled the air as students, parents, Changemakers, and supporters gathered to celebrate the groundbreaking ceremony for the new V Block at our school. This significant milestone marks the beginning of a new chapter in our mission to become the largest philanthropic school in the country, accommodating over 10,000 underserved children. The upcoming V Block will be our largest academic building, featuring more than 130 classrooms, and will be designed as a sustainable green building in line with our environmental values. To honor this special occasion, a traditional Havan ceremony was performed, during which students actively participated by offering aahuti (sacred offerings) into the fire, symbolizing their involvement and commitment. Together, the entire community recited prayers and reaffirmed their dedication to placing children at the heart of all our efforts. It was a memorable and joyous day that sets the foundation for an inspiring future.

TEA, TALES & TIMELESS BOND :- RUSKIN BOND

Open your book to any page and read that page. Put up a finger for each word that you do not know.

On 19th May, the Senior Wing Library at LPSSS hosted a special reading and reflection session to commemorate the birthday of renowned author Ruskin Bond. The activity was conducted by Ms. Vandana Sharma, Senior Wing Library Teacher, with enthusiastic participation from students. During the session, students read selected excerpts from Bond's works and shared their reflections. They appreciated how his simple yet impactful storytelling touches on themes such as courage, friendship, family, and a deep connection with nature. The hill-station settings in his stories, influenced by the author's own upbringing, also resonated with the readers. The session served as a meaningful tribute to Ruskin Bond's contribution to children's literature and inspired students to value imagination, simplicity, and staying rooted in one's values.

Breaking Chains

A LESSON IN HEALING AND HOPE

On 22nd May 2025, as part of the Substance Abuse Awareness Initiative, 15 students from Grades IX to XII of Lotus Petal Senior Secondary School visited the Changing Life Wellness Centre, a renowned rehabilitation and de-addiction facility in Delhi. What began as an educational trip soon turned into an emotional journey. Students were warmly welcomed and introduced to the center's healing environment. The most impactful part of the visit was listening to real-life stories shared by individuals battling addiction—honest accounts of struggle, relapse, hope, and recovery. An open Q&A session allowed students to ask thoughtful questions and receive sincere, heartfelt responses. The experience left a lasting impression, fostering empathy, self-awareness, and a deeper understanding of the importance of mental health and responsible choices.

Stepping into the Arena: LPSSS Footballers in Action

FOOTBALL TOURNAMENT

24th May 2025

On 24th May 2025, a friendly practice match was held between LPSSS and KIIT Academy, Bhondsi, as part of the preparation for the upcoming Subroto Cup to be held in June in Patiala, Punjab. KIIT Academy, backed by a professional football setup, played with excellent skill and coordination. LPSSS students, under the guidance of Mr. Yudhishtir, Physical Education Teacher, displayed strong teamwork, determination, and impressive potential. The session served as valuable exposure and has motivated our students to continue training hard for the upcoming tournament.

ACHIEVEMENT

Pitch Perfect: Manu Leads the Way with Powerful Batting

We are delighted to announce that Manu, a student of Grade XI-A, participated in a cricket tournament organized by the Harmony Club NGO and showcased exceptional sportsmanship and talent. Representing his team with great dedication, Manu played a pivotal role in securing their victory. His outstanding performance with the bat earned him the prestigious title of “Best Batsman of the Match.” His achievement not only reflects his individual excellence but also brings pride to LPSSS. We congratulate Manu on this remarkable accomplishment and look forward to many more such milestones from our students.

Congratulations!

CRICKET

Ms. Kanupriya Kaushik, Vice Principal of LPSSS, was recently felicitated with the prestigious 'Emerging School Leader Award 2025' at the 2nd Annual K12 Schools & Leadership Summit, hosted by Uniconnect – An Inspiredvalley Initiative, on 24th May 2025 at The Lalit, Barakhamba, New Delhi. Her recognition as an emerging leader is a reflection of her unwavering commitment to building a future-ready education ecosystem, supported by the guidance of her mentors, the dedication of her team, and the encouragement of students and the school community.

As a panelist at the summit, Ms. Kaushik joined leading education professionals in thought-provoking discussions on reimagining learning for 21st-century students. The experience offered valuable insights and fostered meaningful dialogue on the evolving needs of modern education.

*Trailblazing in Education:
Ms. Kanupriya Kaushik,
Vice Principal, LPSSS,
Wins Emerging School
Leader Award 2025*

Challenge Zone

GREEN GRIT: HARD WORK MEETS SUSTAINABILITY ON THE SOFT BOARD

SOFT - BOARD COMPETITION

The theme for the May soft board display for Grades 6th to 10th at LPSSS was "The Power of Hard Work and Determination." Students showcased impressive creativity and thoughtfulness as they brought this theme to life using recycled paper and eco-friendly materials. Their displays featured powerful messages, motivational quotes, and artistic elements that reflected the importance of perseverance, effort, and goal-oriented thinking.

RACQUETS UP! BADMINTON FEVER

GRIPS GRADE 10

BADMINTON COMPETITION

On 10th May 2025, Lotus Petal Senior Secondary School organized an Inter-Class Badminton Competition for Grade 10 students (Sections A and B), under the supervision of Sports Teacher Mr. Yudhishthir. The event was marked by enthusiastic participation and commendable sportsmanship. Students competed with energy, focus, and a spirit of healthy competition, demonstrating their athletic skills and teamwork on the court. The competition served as an excellent platform to promote physical fitness, discipline, and resilience among the students. It was a successful and motivating event that reinforced the school's commitment to holistic development through sports.

Quiz

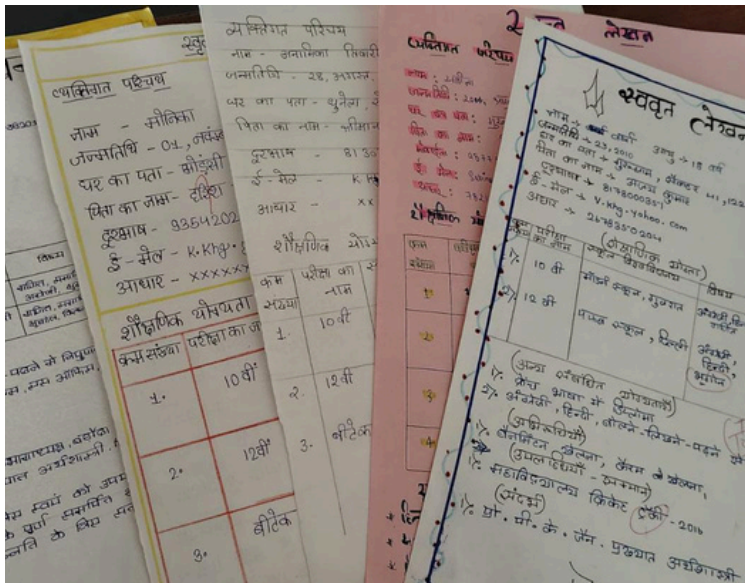

“Battle of the Brains: The Ultimate House Quiz Face-Off”

On 15th and 16th May, Lotus Petal Senior Secondary School organized an engaging Inter-House Quiz Competition, encouraging students to expand their knowledge and showcase their intellectual prowess. The event was conducted in two categories Grades 6 to 10 participated in the quiz titled “World Tour”, which covered topics such as world capitals, famous places, populations, festivals, and geographical facts. Meanwhile, students from Grades 9 to 11 competed in a quiz focused on Indian History and Civics, exploring important dates, historical relationships, ruling periods, and significant national milestones. Each house nominated four participants, and the competition was fierce yet friendly. A thrilling rapid-fire round tested students’ presence of mind and quick recall, adding to the excitement. The event proved to be both educational and energizing, reinforcing the spirit of healthy competition and teamwork among the houses.

कलम के सिपाही: UNLEASHING THE POWER OF WORDS

An engaging Intra-School Hindi Writing Competition was conducted on 23rd May 2025 for the senior wing students of Grades VI to XI at Lotus Petal Senior Secondary School. Students of Grades VI to VIII participated in the लघुकथा लेखन (Short Story Writing) competition. Given an on-the-spot topic, the young writers showcased their creativity, imagination, and storytelling abilities in Hindi. It was a wonderful opportunity for them to explore narrative writing in a fun and challenging format. Meanwhile, students from Grades IX to XI took part in the स्ववृत्त लेखन (Bio-data Writing) competition. With on-the-spot prompts, the students demonstrated their command over formal writing and structured presentation of personal information.

Student's workshop

Safe & Unsafe TOUCH

Teaching children their personal boundaries is the first step to keeping them safe and confident. On 20th May 2025, Ms. Poornima Sharma, our School Counsellor and Special Educator, conducted an important workshop on “Safe and Unsafe Touch” for students of Grades 6 to 8. The session aimed to help students understand personal boundaries by distinguishing between good, okay, and unsafe touch, using clear definitions and relatable examples. Key safety guidelines, including the “Swimsuit Rule,” were explained to teach children about private parts and appropriate boundaries. Through interactive activities like the “Dog Barks Rule,” students were encouraged to confidently say “No” and seek help if they ever feel uncomfortable or unsafe. The workshop was delivered in a warm and engaging manner, empowering students to protect themselves and communicate openly with trusted adults.

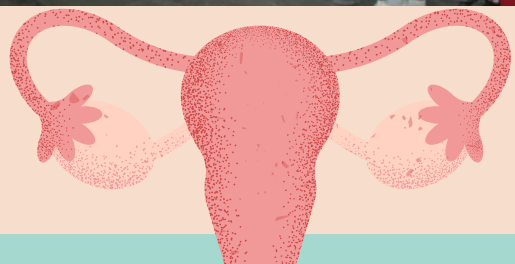

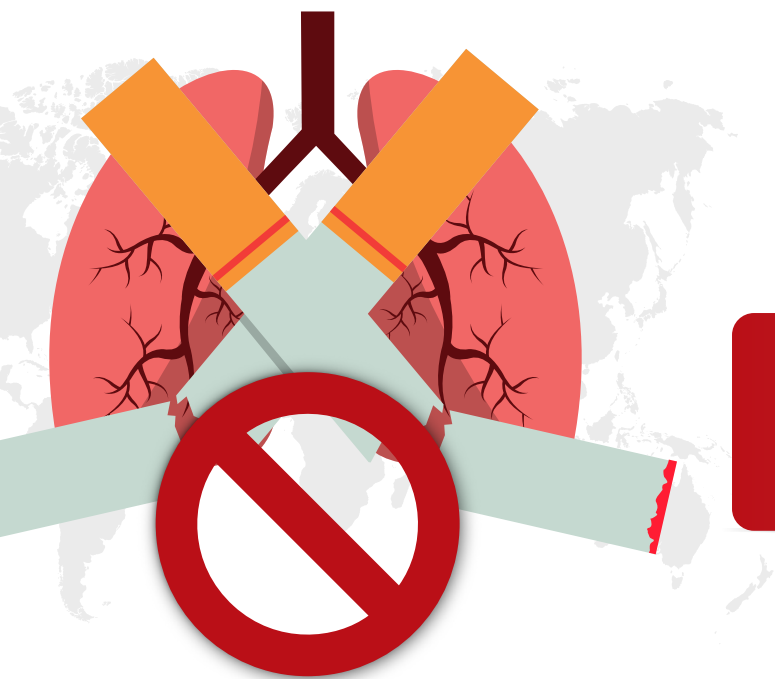

Flush the Myths, Keep It Clean

TAKE WHAT YOU NEED, WHEN YOU NEED IT.

On 15th May 2025, a special awareness session on washroom hygiene was conducted for adolescent girls of Grades IX and X at LPSSS by the Health Educator and School Counsellor. The session aimed to emphasize the importance of personal hygiene and maintaining cleanliness in shared washroom spaces. Key issues such as improper disposal of sanitary products, lack of handwashing, wet floors, and unhygienic toilet seats were addressed, highlighting how these factors can lead to infections, discomfort, and embarrassment. Students were guided on the correct methods of sanitary disposal, the importance of regular handwashing with soap, keeping washroom floors dry, and promptly reporting maintenance concerns. The session also fostered a sense of shared responsibility among the students to maintain clean and hygienic facilities for the well-being and dignity of all. Through such initiatives, the school continues to promote health, confidence, and a safe environment for every girl.

NO TO

TOBACCO

On 20th May 2025, an impactful awareness workshop on the dangers of substance abuse—particularly tobacco—was conducted for Grades 9 and 10 at Lotus Petal Senior Secondary School. Held on the first floor of the K Block, the session was facilitated by Health Educator Ms. Bipasa Giri and School Counsellor Ms. Poornima Sharma. Themed around the powerful quote, “Say no to tobacco – Breathe clean, live green,” the workshop aimed to educate students about the harmful effects of tobacco and empower them to make healthy, informed life choices. Through interactive discussions and real-life narratives, students explored the various forms of substance abuse, the consequences of tobacco use on mental and physical health, and its impact on academic performance. Teachers and mentors shared personal stories from their youth, illustrating how they overcame peer pressure and resisted addictive substances. These narratives resonated deeply with the students, making the subject more relatable and inspiring. Activities such as an engaging quiz helped debunk common myths about substance use, while a group pledge reinforced their commitment to clean and conscious living. Students actively participated in discussions, asking insightful questions on managing stress and resisting peer influence.

Teacher's Workshop

SPOT, SUPPORT, SUCCEED: RETHINKING SPECIAL NEEDS SCHOOLS

21ST MAY 2025

WEDNESDAY

Strategies For
Identification

Tools And
Resources

"Every Child Is a Unique Flower, Blooming In Their Own Time And Way, Let's Nurture And Support Their Growth"

On 21st May 2025, Ms. Gargi led a deeply impactful and thought-provoking workshop for the senior wing teachers, shining a spotlight on the urgent need to identify and support students with special needs. With clarity and conviction, she illustrated how early intervention and personalized support can dramatically transform a child's academic journey and emotional well-being. The workshop powerfully conveyed that recognizing diverse learning needs isn't just a responsibility—it's an opportunity to unlock each student's potential. Teachers were encouraged to see themselves not just as educators, but as changemakers who can build meaningful teacher-student bonds, foster inclusive classrooms, and elevate student engagement

**Understanding and supporting
diverse learners**

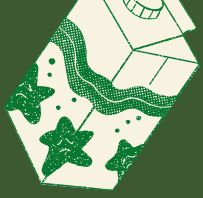

EVERY VOICE MATTERS: EMBRACING DIVERSITY IN EDUCATION

*27th MAY 2025
TUESDAY*

In a stride toward shaping an inclusive and compassionate learning space, our school hosted a transformative workshop on May 27th, 2025, titled Diversity and Inclusion in Curriculum. Led by Ms. Sonal Preet Sachdeva and facilitated by Mr. Amanda and Ms. Nancy Rathi, the session challenged educators to reimagine classrooms as spaces where every child feels seen, heard, and valued. With powerful conversations around identity, equality, and belonging, the workshop emphasized the urgent need to celebrate diversity in all forms—be it culture, language, gender, or background. It inspired faculty to go beyond textbooks and weave empathy, respect, and acceptance into everyday teaching.

SEEDS OF SUSTAINABILITY ROOTS OF RESPONSIBILITY

On May 28th, 2025, our faculty engaged in an eye-opening workshop on Environmental, Social, and Governance (ESG) principles, led by Mr. Divyanshu Rastogi and Ms. Shavya Singh. The session offered more than just insights—it sparked a shift in perspective. Through thought-provoking dialogue and real-world relevance, the facilitators challenged educators to reimagine schools not just as centers of learning, but as ecosystems of responsibility. From environmental stewardship to ethical leadership and community engagement, the workshop urged us to weave ESG values into the very fabric of our school culture.

Flip the Script: Competency-Based Learning in Action - Teacher's Workshop

On a mission to enhance classroom practices, our Vice Principal, Ms. Kanupriya Kaushik, led an insightful workshop on Competency-Based Education (CBE) on 29th May 2025 that was both enriching and interactive. The session kicked off with a humorous video on PTM experiences, setting an engaging tone before diving into essential topics like equality, equity, and inclusion. Educators were introduced to the NEP 2020 framework, the ASK model (Attitude, Skill, and Knowledge), and the key features of effective CBE—such as demonstration of mastery and creation of knowledge. The session also included guidance on accessing CBSE's CBE resources online. The highlight of the session was a collaborative activity where teachers restructured traditional questions into competency-based formats, promoting deeper understanding and application.

HAPPY Mother's Day

A Mother's Love, Framed and Felt
Mother day activity Interact Club

“A mother’s love is more beautiful than any fresh flower.”

— Debasish Mridha

On 10th May 2025, the Interact Club, Senior Wing organized a special activity for students of Grades 6 to 10 to celebrate Mother's Day. The event encouraged students to express their love and appreciation for their mothers through thoughtful, handmade gifts. Students of Grades VI to VIII crafted beautiful bouquets and heartfelt cards, pouring their emotions into every petal and word. Meanwhile, students of Grades 9 and 10 designed elegant handmade photo frames and placed cherished pictures of their mothers inside them, turning their creations into keepsakes filled with affection and gratitude. The activity beautifully combined creativity, emotion, and celebration, making it a memorable experience for all.

ASSEMBLY

AM TO AIM: MORNING ASSEMBLIES THAT MOVE MIND

in Senior Wing, the morning assembly sets the tone for each day—instilling focus, unity, and motivation. In May, assemblies centered around the theme “The Power of Hard Work Determination,” encouraging students to begin the academic year with resilience and a positive mindset. Led by students from Grades VI to X, each morning featured prayers, current affairs, vocabulary-building activities, and thoughtful reflections. As always, positive affirmations echoed through the school grounds, reinforcing confidence and a growth mindset with lines like “I am focused. I am resilient. I believe in myself.” Under the nurturing mentorship of Vice Principal Ms. Kanupriya Mohan, assemblies were designed to strengthen essential life skills such as self-discipline, teamwork, and leadership. Weekly announcements recognizing the Best English Communication and Cleanliness & Discipline classes fostered a spirit of healthy competition and accountability. The month concluded with celebrations of Star of the Month, Class of the Month, 100% Attendance, and winners of inter-house and intra-class competitions. Special assemblies added depth by marking important days with creativity and cultural pride. Together, these morning gatherings continue to shape a vibrant school culture rooted in growth, purpose, and positivity.

Echoes of Positivity: A 60-Day Reflection

It has been 60 days since we began the practice of daily positive affirmations in our morning assembly. Each day, after the assembly, a teacher shares a short affirmation that students silently repeat in their minds. These simple yet powerful words – like “I am confident” or “I will do my best today” – help set a calm, focused, and positive tone for the day. Teachers have observed that students are becoming more mindful, self-aware, and motivated. This small step has made a big difference in creating a positive school environment – one thought at a time

You are doing
★ GREAT! ★

FROM WIRES TO WONDERS: CELEBRATING TECHNOLOGY NATIONAL TECHNOLOGY DAY

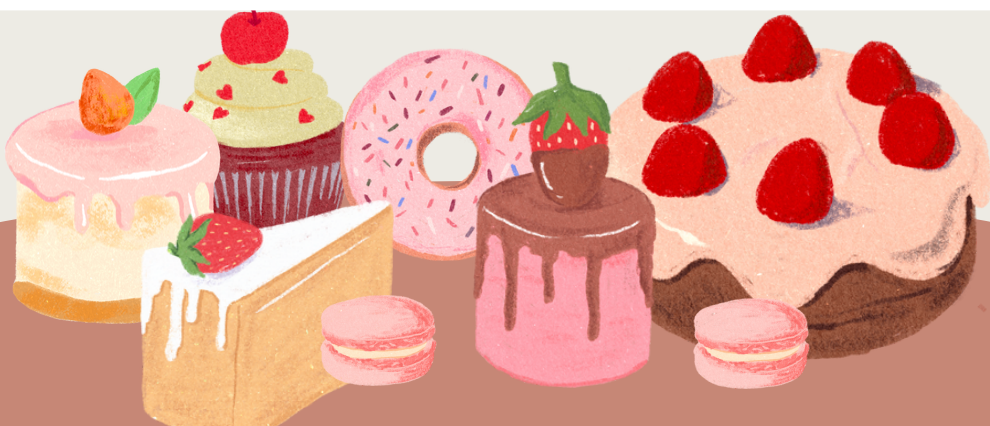

To commemorate National Technology Day, a special morning assembly was conducted on 15th May 2025 by the Senior Wing students of Lotus Petal Senior Secondary School. Curated by Ms. Vandana Sharma, Library Teacher, the assembly featured an insightful and engaging act that traced the fascinating evolution of technology—from early inventions to the cutting-edge advancements of today. The performance creatively showcased how technology has revolutionized the way we live, learn, and communicate, making our lives more connected and efficient. It also underscored the importance of using technology wisely—as a powerful tool for education, personal growth, and societal development.

SPOONFUL OF TRUTH: THE BITTER SIDE OF SUGAR

On 22nd May 2025, the students of Grade VIII conducted a thought-provoking special assembly on the theme “Say No to Sugar.” Guided by Ms. Meena, Science Teacher, the assembly featured a captivating roleplay that emphasized the importance of healthy eating habits. In a creative enactment titled "Junk Food vs. Healthy Food," students brought to life a dynamic battle between sugary temptations and nutritious food choices. Their performance highlighted how excessive sugar intake can affect overall health, while reinforcing the benefits of a balanced and mindful diet.

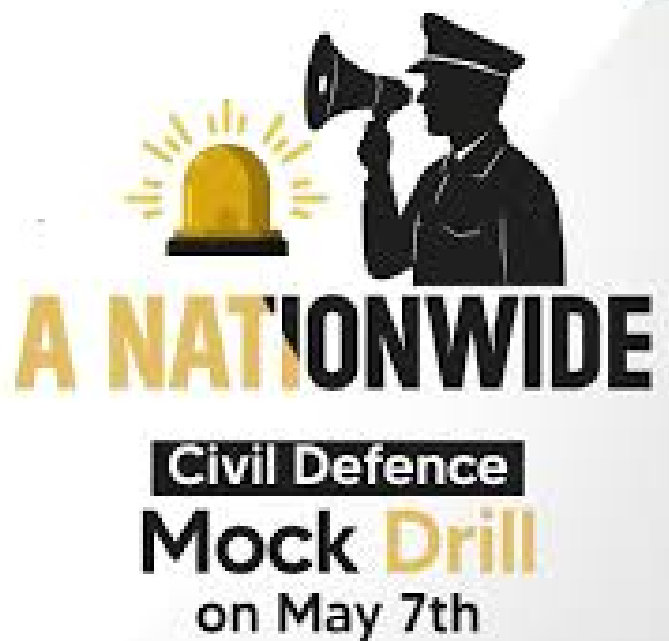

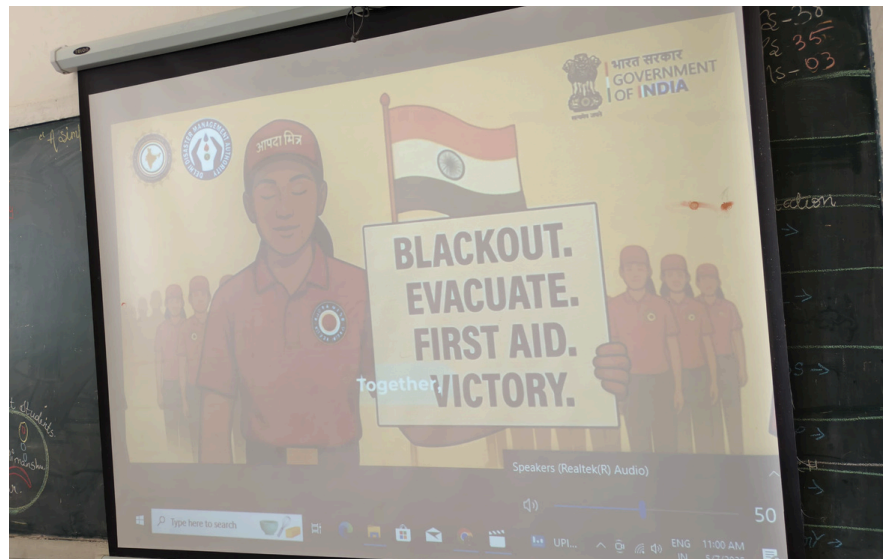

Igniting Minds and Uniting Cultures The Interact Club Experience

On 23rd May, the Interact Club, which combines the Art and Craft Club, Culture Club, and Social and Welfare Club to foster creativity, cultural awareness, and community service among students, conducted a special assembly with active participation from students of Grades 6 to 8. The assembly began with a role play emphasizing the significance of education, followed by a dance performance centered around the inspiring theme, “Learn Today, Lead Tomorrow.” Furthermore, students presented a skit to commemorate World Culture Day, celebrating the richness of global diversity and promoting respect for different cultures. The event effectively highlighted the importance of education and cultural harmony, leaving all attendees inspired and engaged.

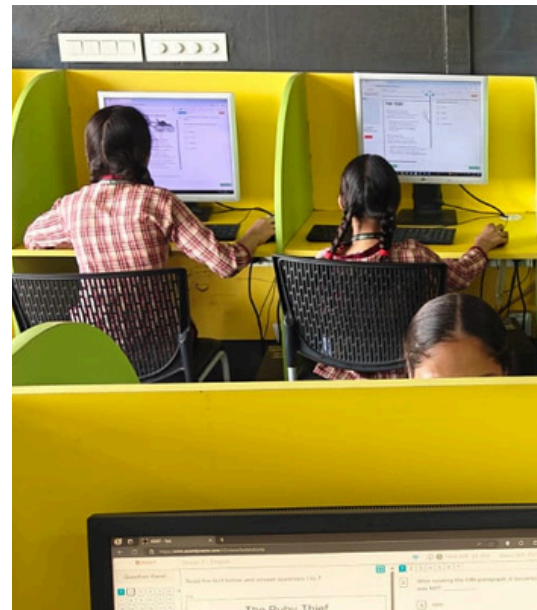

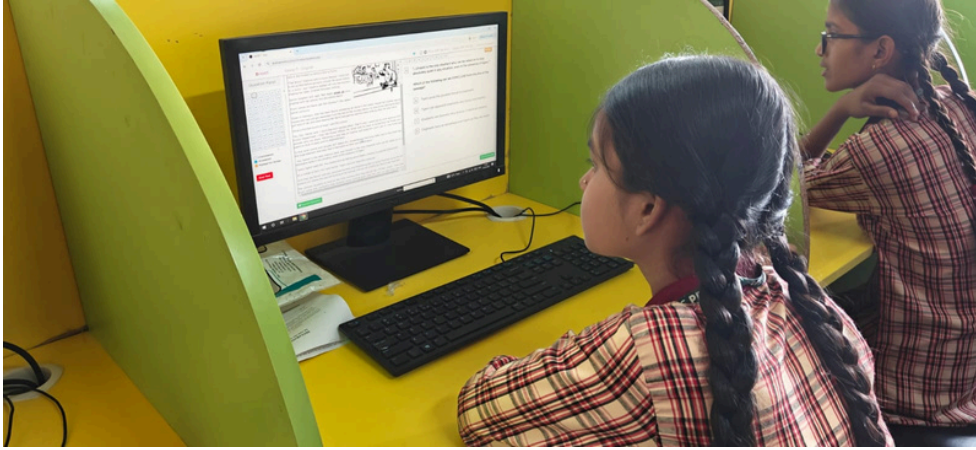

WHEN DUTY CALLS: STUDENTS STEP INTO PREPAREDNESS

On 7th May 2025, Senior organized a special awareness session for students by screening a National Security Drill video, aimed at preparing them for emergency situations during times of conflict. Inspired by recent tensions between India and Pakistan in April and early May, the video highlighted crucial steps every citizen must follow in the event of a war-like scenario. Students learned how to respond swiftly to air raid alarms, follow blackout protocols, and implement an action plan to ensure safety and security. The drill emphasized the importance of staying alert, acting responsibly, and remaining calm during hostile situations. It served as a reminder that preparedness and awareness are key duties of every Indian citizen in safeguarding the nation.

SHARPENING SKILLS WITH ASSET

Senior Wing conducted the ASSET (Assessment of Scholastic Skills through Educational Testing) examination for students of Grades VI to X from 13th to 16th May 2025. ASSET is a skill-based test that evaluates students' understanding of concepts covered in the school curriculum through carefully designed multiple-choice questions. The assessment typically covers English, Mathematics, and Science, aiming to identify each student's strengths and areas for improvement. It provides valuable feedback to students, teachers, and the school, enabling more focused teaching strategies and helping students enhance their learning outcomes.

- **Supportive Environment**
- **Challenging Curriculum**
- **Extracurricular Activities**
- **Preparation for Future Success**

Notebook Checking Day

On 22nd May, Senior Wing conducted a Notebook Checking Day across all grades. Teachers thoroughly reviewed students' notebooks to ensure timely completion of the May month syllabus. This initiative not only helped maintain academic discipline but also encouraged students to stay up to date with their classwork before the summer vacation. By addressing gaps and offering feedback in advance, the activity relieved students of the pressure to complete pending work during the holidays, allowing them to enjoy a stress-free and well-deserved break.

Books Down, Fun Up: Bagless Day Bonanza!

On 23rd May 2025, students of Grades VI to VIII celebrated a special Bagless Day to mark the last working day before the summer vacation. The day was filled with engaging activities like INDIA QUIZ and subject enrichment tasks thoughtfully designed to enhance learning in a fun and interactive manner. Without the burden of school bags, students enjoyed a refreshing change from routine academics and bonded more closely with their classmates and class teachers. The joyful atmosphere, creative engagement, and meaningful conversations made the day a memorable one. It was a perfect send-off to the summer holidays, leaving everyone with smiles and a sense of togetherness.

PARENT TEACHER MEETING

**SATURDAY
24TH MAY 2025**

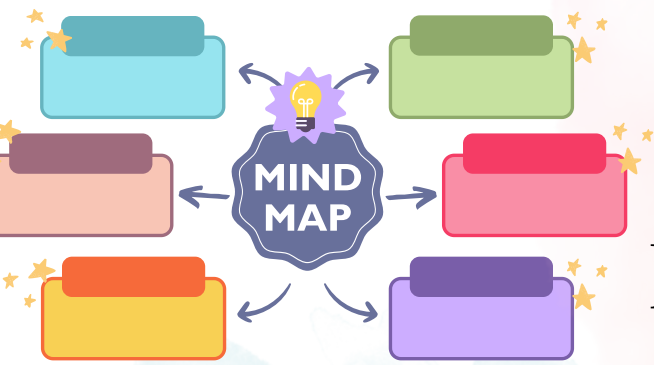

The first Parent-Teacher Meeting (PTM) of the academic session 2025–26 for the senior wing (Grades VI to X) was successfully conducted on 24th May 2025. The PTM focused on sharing the performance of students in the Periodic Test 1 (PT1). It was an important opportunity for parents to meet their ward's new subject and class teachers. Parents expressed their appreciation for the transparency in the assessment process and shared constructive feedback and queries regarding their child's academic progress and overall development. Discussions also revolved around how students planned to spend their upcoming summer vacations productively. The meeting helped in fostering a stronger parent-teacher partnership and set a positive tone for the year ahead, with a shared commitment to the holistic growth of the students.

Stillness Between the Bells : Meditation

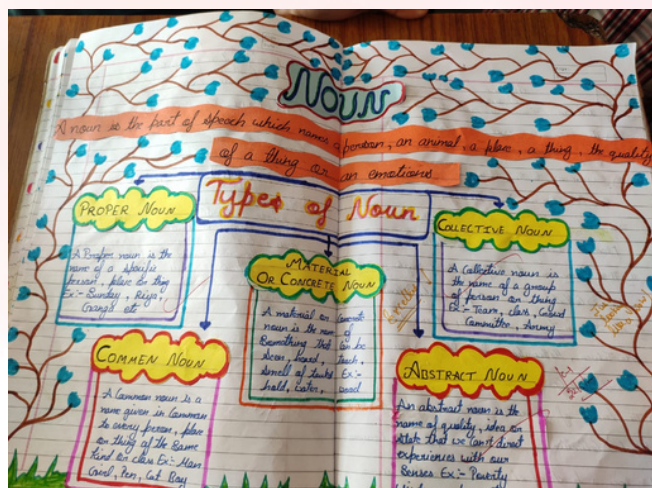

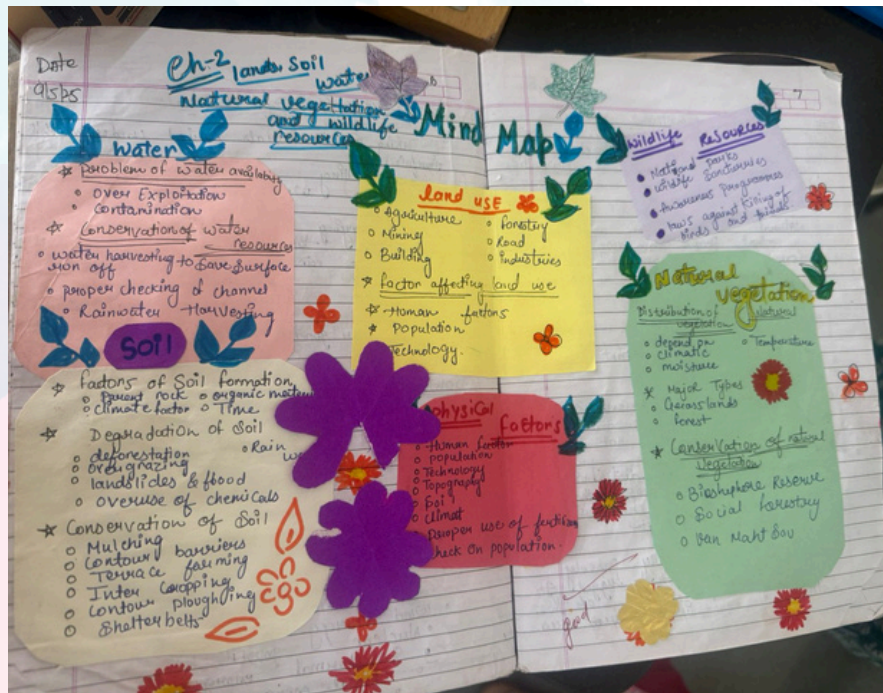

Senior Wing students begin their day with a 20-minute guided meditation session after the second period, offering a refreshing pause in their academic routine. This daily practice helps them relax, refocus, and restore mental clarity. It not only eases the stress of a busy school day but also promotes emotional well-being and improved concentration. By making meditation a regular part of the school experience, LPSSS encourages a positive mindset and a peaceful learning environment for all students.

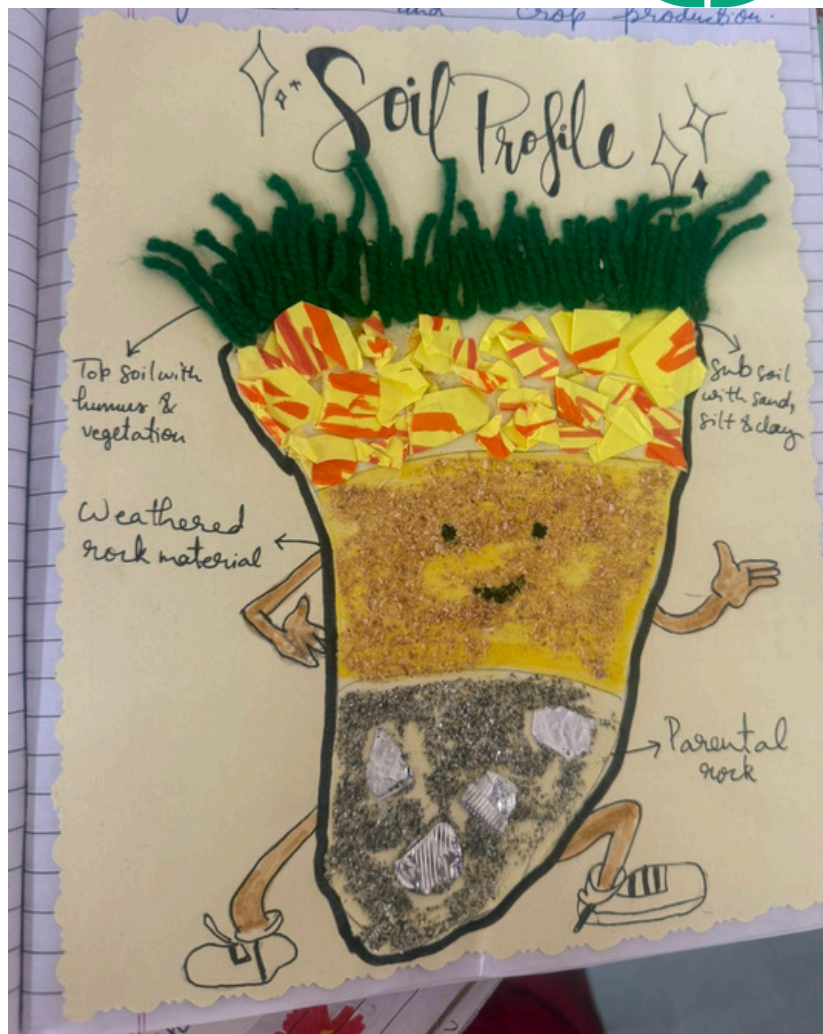

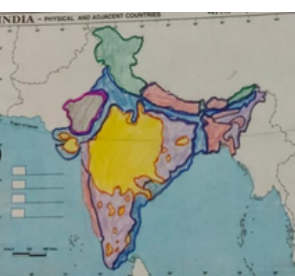

Mapping the Mind, Mastering the Chapter!

in Senior Wing, students are encouraged to create mind maps after reading each chapter as an effective tool for deeper understanding and retention. A well-structured mind map helps in organizing key concepts visually, making the chapter easier to grasp and remember. This practice allows learners to think independently, connect ideas, and express the content in a clear and creative manner. It is essential that students prepare these mind maps neatly and thoughtfully, as they serve as a strong personal learning aid and leave a lasting impression during revision.

Hands-On, Minds-On: Enriching Every Chapter

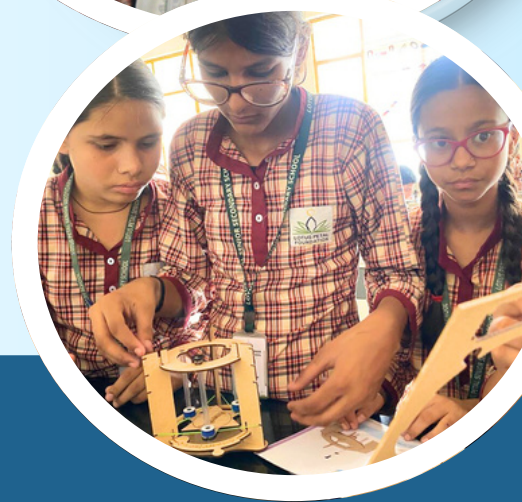

In Senior Wing, Subject Enrichment Activities are thoughtfully conducted after the completion of each chapter to strengthen students' understanding and make learning more interactive and application-based. These activities vary across subjects—in **Science**, students engage in experiments, model-making, and observation tasks to connect theory with real-life concepts. In **Mathematics**, hands-on activities like puzzles, graph plotting, and creative problem-solving enhance logical thinking. **English** enrichment includes role plays, character dramatization, vocabulary games, and creative writing to improve language fluency and expression. **Social Science** activities involve map work, debates, and timeline charts to build contextual knowledge. **Hindi** and other languages include storytelling, poem recitations, and script writing. These enrichment tasks promote active participation, creativity, and collaboration while building confidence and deeper subject knowledge in students.

"Lab Chronicles: Where Science Comes Alive!"

In Senior Wing, the science labs came alive with excitement and exploration during April and May. Across the Physics, Chemistry, and Biology labs, students dove into hands-on activities that turned theory into thrilling discovery. In the biochemistry lab, they tested food samples to detect starch, proteins, and fats, and explored neutralisation reactions that sparked curiosity with colourful results. Using iodine, they also confirmed the presence of starch in leaves. In the biology lab, microscopic worlds unfolded as students observed stomata slides and live pond-water organisms like amoeba and paramecium. Meanwhile, the physics lab revealed how oxygen supports burning through engaging combustion experiments. These interactive sessions not only deepened understanding but also ignited a genuine love for science.

TURNING PAGES, SHAPING MINDS: THE MY GOOD SCHOOL EXPERIENCE

In May, Senior Wing proudly continued its journey as a member of the Good Schools Alliance (GSA), embracing a culture of passion, purpose, and reflection. As part of this initiative, weekly reflective learning sessions are conducted from Thursday to Sunday, fostering thoughtful discussions and personal growth among students. Adding to this, the school also introduced dedicated reading sessions of the book “My Good School” by Mr. Sandeep Dutt during communication classes. Under the guidance of their English teachers, all students from Grades 6 to 10 actively participate in reading, discussions, and reflective writing, making the values of the book a part of their learning experience. This initiative is helping to cultivate self-awareness, empathy, and a deeper connection to the principles of a truly good school.

Meet your
Teacher 

Ms. Sonam Rawat

Can you describe a memorable moment from your teaching career?

It's been many years with the kids, and in this journey, I've collected countless unforgettable memories. From their innocent questions to their unexpected hugs, every moment has held its own magic. Some made me laugh, some moved me to tears — but all reminded me why I chose this path. Watching them grow, not just academically but into kind, confident individuals, has been the most rewarding part of my life as a teacher.

✨ Quick Bytes

-  **Favorite subject as a student:**
Mathematics
-  **Tea or Coffee:**
Coffee
-  **Early Bird or Night Owl:**
Early Bird
-  **Book every student should read:**
Wings of Fire by Dr. A.P.J. Abdul Kalam

What made you to choose mathematics as your subject?

I chose Mathematics because it teaches us how to think critically, solve problems creatively and see the world through patterns and logic. For me, it's not just about numbers—it's a way to build confidence, resilience and a deeper understanding of life's challenges.

Fun Facts

- I Love solving Crosswords
- I like listening Soft songs and watching series
- I like Painting

Start where you are.
Use what you have. Do
what you can.
— @sonamrawat

WHAT ADVICE WOULD YOU GIVE TO STUDENTS?

Always stay curious and open to learning. Don't fear mistakes—they are stepping stones to success. Believe in yourself, work hard with dedication and treat others with kindness and respect. These values will not only help you excel academically but also build a strong foundation for life

From the Heart of Our Student

KAJAL Kushwaha 8A

TESTIMONIAL

01.

WHAT DO YOU LOVE ABOUT YOUR SCHOOL

What I love about my school is that it provides equal opportunities for every student to showcase their talent through various platforms like the Talent Pool and numerous events. It truly celebrates every child's uniqueness.

02.

CAN YOU SHARE A FAVORITE MEMORY OR MOMENT FROM SCHOOL LIFE?

One of my most cherished school memories is from the Annual Day in Class 2. Our class performed a Dandiya dance, and I had the best time ever! What made it extra special was that our parents were invited to attend with their families. It felt like a grand celebration, and I'll never forget it.

03.

WHAT LIFE LESSONS HAVE YOU LEARNED AT SCHOOL?

One of the most important life lessons I've learned is that no matter how successful you become, you should always remain humble. Our role model, Kushal Sir, holds a very high position, yet he is incredibly down-to-earth. That kindness and humbleness is something I aspire to have.

04.

IN WHAT WAYS DO SCHOOL EVENTS AND ACTIVITIES MAKE LEARNING FUN?

Learning becomes exciting through hands-on experiences like subject enrichment activities and practical's in our Computer, Science, Maths, and Astronomy labs. Team projects and stage performances also teach us collaboration and boost our confidence, making education enjoyable and dynamic.

05.

HOW DO YOUR TEACHERS INSPIRE OR SUPPORT YOU?

My teachers inspire me deeply by sharing their personal experiences and how they tackled similar problems at our age. They are not only brilliant educators but also amazing mentors who support us in both our academic and personal lives.

1st	Deepu	10A
2nd	Bhavya	10B

Position	Name	Class
1st	Anurag	10B
2nd	Yograj	10B

'Let's go green before the green goes'

Following this thought, LPSSS has formed an **ECO CLUB** to promote habits and actions of conserving environment. It plays an important role in creating sensitivity towards environment. It keeps on organizing such activities which imbibe values like not to litter around, minimum usage of plastic, promoting ethos of water and electricity conservation, tree plantation etc.

WHAT'S NEW

Eco Club
