# Dream, Decide, Do: Career Insights with the Experts

On 25th September 2025, Lotus Petal Sr. Secondary School hosted a 4th-Dimensional Career Guidance Workshop in collaboration with the Institute of Company Secretaries of India (ICSI). The session provided Class XI students with valuable insights into the diverse opportunities and career pathways within the Company Secretary profession. Through interactive discussions and expert guidance, students gained a deeper understanding of the skills, responsibilities, and prospects associated with this dynamic field. The workshop served as an enlightening experience, empowering students to make informed and confident career choices for the future.

# PENNING POSSIBILITIES: INSPIRING CREATIVITY THROUGH LITERATURE

**“Your story matters — let your words give it life.”**

**On 27th September 2025, a 4th Dimension Talk was organized for the students of Grade VIII, featuring an engaging session by Mr. Neelesh Kulkarni. The talk focused on “Creative Expression through Literary,” encouraging students to explore the power of words and imagination as tools for self-expression. Mr. Kulkarni inspired learners to think beyond the ordinary and appreciate the beauty of literature in shaping ideas and emotions. The interactive session sparked curiosity and motivated students to express their thoughts creatively through writing and storytelling.**

# Changemakers at Heart - The Spirit of Teaching Lives On

Lotus Petal Senior Secondary School celebrated Teachers' Day on 5th September 2025 with great zeal and enthusiasm. The atmosphere was filled with joy and admiration as students expressed their heartfelt gratitude towards their mentors through a series of mesmerizing performances. The event featured a graceful Kathak recital that showcased the richness of Indian culture, along with dynamic dance performances that radiated youthful energy and spirit. A thought-provoking and inspiring address by our esteemed Principal Ma'am Ms.Srividya Sridhar added depth to the occasion, reminding everyone of the noble essence of teaching. The highlight of the day was the lively ramp walk by the teachers, which brought an element of charm, elegance, and fun to the celebration. The entire event was a perfect blend of respect, entertainment, and joy — a truly unforgettable tribute to the guiding lights of our school.

# Inter House Competition

27  
SEP

## काव्यांजलि : शब्दों में संवेदना

On Saturday, 27th September 2025, an Inter-House Competition was organized for students of Grades 6 to 11. The event aimed to encourage students' confidence, expression, and appreciation for Hindi literature. The competition was divided into two categories — Hindi Poem Recitation for Grades 6 to 8 and Doha Recitation for Grades 9 to 11.

### ● Inter-House Hindi Poem Recitation (Grades 6–8)

Students from Grades 6 to 8 participated in the Inter-House Hindi Poem Recitation Competition with great enthusiasm. Two students from each house took part, presenting their poems with excellent voice modulation, pronunciation, and emotional depth. Their performances reflected creativity and a deep connection with the beauty of Hindi poetry.

### ● Inter-House Doha Recitation (Grades 9–11)

Each house was represented by two students who recited traditional Dohas with confidence, clarity, and expressive understanding of their moral and philosophical meanings. Their recitations highlighted the timeless wisdom found in classical Hindi literature.

Both events were judged by our respected Headmistress, Ms. Sangeeta Ram, and Ms. Pooja Sharma.

## BREATHE, BALANCE, AND BLOOM: THE POWER OF YOGA AT LOTUS PETAL

In the month of September, Lotus Petal Senior Secondary School organized an Inter-class Yoga Competition for Grades 6 to 11, with separate categories for boys and girls. The event aimed to promote physical fitness, mental calmness, and emotional balance among students. Participants performed two sets of Surya Namaskar with focus on proper posture, breathing, and balance, showcasing strength, flexibility, and discipline. The competition also included meditation sessions to encourage mindfulness, concentration, and inner peace. Students participated with great enthusiasm, maintaining discipline and respect throughout the event. The competition was judged by Ms. Kanupriya Mohan Kaushik (Vice Principal) and Ms. Sangeeta (Headmistress), while Mr. Yudhisthir Kumar served as the Activity Incharge. The event not only highlighted the importance of yoga and meditation in students' lives but also connected them to the rich heritage of Indian culture and values.

# HARNESSING POSITIVE ENERGY: A TRANSFORMATIVE TLDP EXPERIENCE

**Expert  
Instructors**

**Career-Focused  
Training**

On 24th September 2025, a TLDP session on “Working with Energy” was conducted by Ms. Anjali for our dedicated Changemakers. The session offered an insightful exploration of mindfulness, meditation, and emotional well-being. Ms. Anjali guided the teachers through reflective practices that emphasized the importance of maintaining balance, positivity, and inner strength in their personal and professional lives. The workshop created a calm and inspiring atmosphere, allowing participants to reconnect with their energy and purpose. It was a truly rejuvenating experience that motivated our Changemakers to continue inspiring students with renewed enthusiasm and clarity.

# IGHTING THE LAMP OF LIFE SKILLS

On 24th September 2025, Lotus Petal Senior Secondary School organized a CBSE Life Skills Workshop focusing on Domain 1. The session was facilitated by the Principal, Ms. Srividya Sridhar, and the Vice Principal, Ms. Kanupriya Mohan Kaushik. The workshop aimed to enhance educators' understanding of life skills education and its pivotal role in students' holistic development. It emphasized strategies to nurture essential competencies such as self-awareness, emotional regulation, effective communication, decision-making, and interpersonal relationships. Through interactive discussions and reflective activities, participants gained deeper insights into integrating life skills within the curriculum to prepare students for the complexities of modern life.

# Strong Minds, Open Hearts: Suicide Prevention Awareness

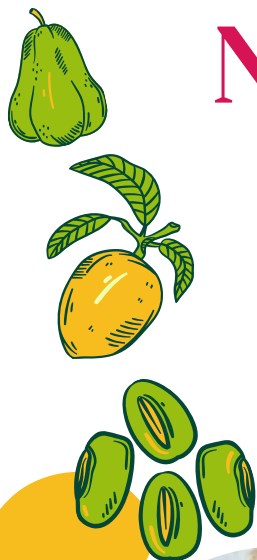

**“It’s okay not to be okay — what matters is that you keep talking and keep trying.”**

On 26th September 2025, a Suicide Prevention Session was conducted for the students of Classes VIII and IX by our Special Educator, Ms. Poornima Sharma. The session began with an interactive dance activity that encouraged teamwork and positivity, setting a reflective tone for the day. Focusing on the global theme “Changing the Narrative on Suicide,” introduced by the International Association for Suicide Prevention and the World Health Organization for 2024–2026, the session emphasized viewing suicide not as an individual weakness but as a public health issue. Through open and compassionate discussions, students learned the importance of self-awareness, resilience, and seeking help during difficult times. The session concluded with a motivational movie that inspired hope and a positive outlook toward life.

# Nourishing Your Body

## Poshan bhi, Padhai bhi: Nourishing Minds, Nurturing Bodies

On 26th September 2025, Lotus Petal Sr. Secondary School celebrated Rashtriya Poshan Maah 2025 with an engaging session conducted by Health Educator Ms. Bipasa for students of Grades VI and VII. The workshop aimed to promote awareness about the importance of balanced nutrition and its direct link to learning and overall well-being. Students explored the five major food groups, the impact of junk food, and the benefits of traditional Indian diets through lively discussions and activities. Creative tasks such as poster-making, the Healthy Plate activity, and a fun nutrition quiz made the session both educational and enjoyable. Students actively participated, shared their experiences, and expressed eagerness to adopt healthy eating habits. The event truly reflected the spirit of “Poshan bhi, Padhai bhi,” encouraging young minds to nurture both body and mind for a healthier, brighter future.

# Echoes of Enlightenment

**Have a Nice Day**

**ASSEMBLY**

**"Learning is a journey that never ends; every sunrise brings a new lesson."**

Each new day at Lotus Petal Sr. Secondary School begins with the morning assembly—an inspiring start that sets a positive tone for learning and growth. Throughout September, the assemblies revolved around the theme “The Role of Teachers and Lifelong Learning,” emphasizing values of gratitude, discipline, and continuous self-improvement. Conducted confidently by students of Grades VI to XI, the sessions included soulful prayers, thought-of-the-day reflections, current news updates, and vocabulary enrichments that broadened linguistic and general awareness. Under the guidance of Vice Principal Ms. Kanupriya Mohan and Headmistress Ms. Sangeeta Ram, the assemblies became platforms for nurturing leadership, teamwork, and self-confidence among students. Weekly acknowledgments for communication skills and discipline motivated learners to uphold school values, while the month concluded with the felicitation of Star of the Month, Class of the Month, and 100% Attendance achievers. Enriched with special assemblies celebrating cultural and national events, the September mornings truly reflected the school’s spirit—where every day begins with purpose, pride, and positivity.

# INTERNATIONAL LITERACY DAY

On Monday, 8th September 2025, the school proudly celebrated International Literacy Day with the inspiring theme “तमसो मा ज्योतिर्गमय — From Darkness to Light, From Ignorance to Knowledge, From Limitation to Endless Possibility.” The students of Grades 8 to 10 actively participated in this enlightening event that emphasized the power of education in shaping a brighter future. The celebration began with an insightful speech highlighting India’s remarkable progress in literacy — from 18% in 1947 to 77.7% today. It also acknowledged Kerala as the first digitally literate state and celebrated the success of the Pradhan Mantri Gramin Digital Saksharta Abhiyan, which has empowered over 6.39 crore rural citizens with digital skills.

A captivating Hindi play titled “अंधकार से प्रकाश की ओर” beautifully depicted the transformation brought by education and awareness. Adding to the inspiration, a student presented a Book Review on “Wings of Fire”, the autobiography of Dr. A.P.J. Abdul Kalam, sharing the profound message that “dreams are not what we see when we sleep, but those that do not let us sleep. The assembly radiated a spirit of hope, enlightenment, and endless possibilities, leaving everyone motivated to embrace learning as the true light that guides humanity forward.

# # Skip the Oil, Keep the Glow!

On 25th September 2025, the students of Grade 8 conducted a special assembly on the theme “Say No to Oil.” The presentation aimed to raise awareness about the excessive use of oil in our daily diet and its harmful effects on health. The assembly featured a thoughtful and entertaining skit, where students highlighted how the overuse of oil can lead to various lifestyle diseases such as obesity, heart problems, and high cholesterol. Through engaging dialogues and relatable scenarios, they emphasized the importance of choosing healthier cooking methods and balanced eating habits. Their performance conveyed a strong message — that moderation and mindful eating are key to good health.

# WORLD Tourism Day

27TH SEPTEMBER

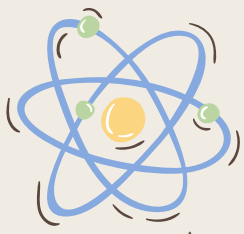

On Saturday, 27th September 2025, a special assembly was organized to celebrate World Tourism Day at the school. The students of Grades 8 to 10 enthusiastically participated in a variety of activities highlighting the importance of travel, culture, and global connection. The assembly began with an informative Speech on Tourism Day, followed by a vibrant Country Representation segment where students showcased the tourism, culture, and attractions of countries such as India, France, Egypt, Japan, and Spain. A beautiful Hindi poem titled “प्रयटन दिवस” was recited, emphasizing the joy and value of exploring the world. Additionally, a Book Review on “Around the World in Eighty Days” captured the adventurous spirit of travel and discovery. The Word and Thought of the Day were thoughtfully aligned with the theme, inspiring everyone to appreciate the diversity and beauty of different places and cultures.

*“The world is a book, and those who do not travel read only a page.”*

# THINK LIKE A SCIENTIST

by using claim, evidence and reasoning.  $E = MC^2$

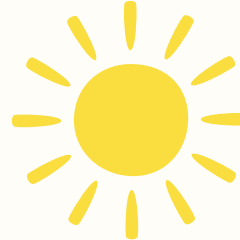

On 29th September 2025, the STEM Club organized a special assembly presented by the talented students of Grades 8, 9, and 11, leaving the audience thoroughly impressed and inspired. The assembly highlighted the importance of STEM (Science, Technology, Engineering, and Mathematics) in today's rapidly advancing world and its role in shaping rational, innovative thinkers of tomorrow. The highlight of the morning was an impactful and thought-provoking skit titled "Pakhandi Tantrik aur Vigyaan ka Sach." The performance beautifully portrayed how scientific reasoning and evidence-based knowledge triumph over superstition and blind belief. With a perfect blend of humor, awareness, and intellect, the students showcased how science enlightens minds and helps society overcome age-old misconceptions. The confident dialogues, expressive acting, and powerful message left everyone in awe. The audience couldn't help but exclaim "Wow!" as the performance ended with a standing ovation.

# **CLEAN UP DRIVE**

**25th September 2025**

## **CLEANLINESS CRUSADERS – LOTUS PETAL ON THE MOVE!**

On 25th September 2025, the students of Lotus Petal Senior Secondary School from Grades 9 to 11 enthusiastically participated in the Swachh Bharat Rally under the “Swachhata Hi Seva – CBSE Campaign 2025.” The rally, held within the school campus, was a vibrant display of energy, awareness, and responsibility. With banners held high and slogans echoing through the air, the students passionately conveyed the message that cleanliness is not just a habit but a shared duty towards our nation. Their spirited participation served as a powerful reminder that every small act of cleanliness contributes to a healthier, greener, and more beautiful India.

# HEART OF THE ART: COLOURS, CREATIVITY, AND CELEBRATION!

On 5th September 2025, the talented students of Grades 6 to 10 were recognised for their exceptional creativity in the Heart of the Art Drawing Competition. Each artwork was a vibrant expression of imagination and skill. The winners who secured the 1st, 2nd, and 3rd positions were awarded certificates of achievement for their outstanding performances. Heartfelt congratulations to all the winners and participants for their commendable artistic efforts.

# WATT A VISIT! EXPLORING OUR SCHOOL'S SOLAR PANELS

*On 25th September 2025, the students of Grades IX to XI participated in an informative field visit to the solar panel installation within the school campus. The visit aimed to enhance students' understanding of renewable energy and its benefits in daily life. During the visit, students learned about how solar panels convert sunlight into electricity and contribute to reducing the school's overall electricity expenses. They also discussed the significant drop in the school's electricity bill since the installation of the solar panels. Moreover, the maintenance team explained the cleaning process and the importance of keeping the panels dust-free to ensure maximum efficiency. The session proved to be an enriching experience, inspiring students to adopt and promote sustainable energy solutions for a greener future.*

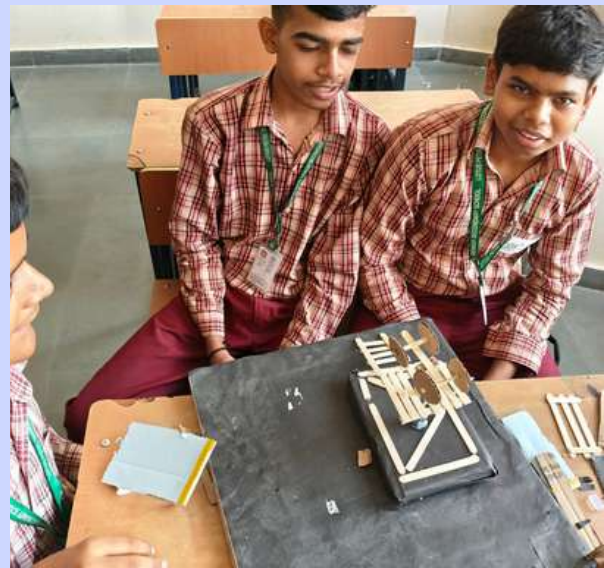

# Flowing Toward Change: Students Explore Sewage Treatment and Sustainability

In September month, students of Grades VI to VIII at Lotus Petal Sr. Secondary School took part in an enlightening visit to the Sewage Treatment Plant on campus. The session offered them a practical understanding of how rainwater and wastewater are collected, treated, and reused, reflecting the school's commitment to sustainable living. Inspired by this experience, students are now designing creative models based on the treatment process to showcase their learning. Several of these models are already complete and will be proudly displayed during the upcoming UTSAH Celebration in November. The initiative not only deepened students' awareness of environmental conservation but also nurtured innovation and hands-on learning.

# STEMAGINATION: WHERE SCIENCE AND CREATIVITY UNITE - STEM CLUB ACTIVITY

On 27th September 2025, the STEM Club organized an engaging activity for students of Grades 6 to 11, aiming to foster creativity, problem-solving, and scientific thinking among young learners.

● For Grades 6 to 8, the theme was “Innovation through Imagery.” Students illustrated real-life problems and their innovative solutions using creative drawings. This visual approach encouraged them to think beyond textbooks and translate their ideas into artistic representations of technology and design-based problem-solving.

● For Grades 9 to 11, the focus shifted to “Hands-on STEM Projects.” Students designed and built STEM-based models or experiments, accompanied by a brief written explanation of the scientific and engineering principles applied. These projects reflected their understanding of practical applications of science, technology, engineering, and mathematics.

This activity provided a valuable platform for students to merge art, design thinking, and STEM awareness—transforming imagination into innovation.

# Meet the Teacher

MS.NIDHI PANDEY

**आप अपने शिक्षण दर्शन को कुछ शब्दों में कैसे वर्णन करेंगे?**

मैं शिक्षा को सिर्फ ज्ञान का संप्रेषण नहीं, बल्कि एक सतत प्रेरणा और सहयोग की प्रक्रिया मानती हूँ। मेरा उद्देश्य है कि हर विद्यार्थी स्वयं को समझे, आत्मनिर्भर बने और जीवनभर सीखता रहे। मैं कक्षा को एक ऐसा मंच मानती हूँ जहाँ जिज्ञासा को प्रोत्साहन मिले, गलतियों को सीखने का अवसर मिले, और हर बच्चा अपनी गति से आगे बढ़े।

**अपने विद्यार्थियों के साथ बिताया हुआ कोई सबसे यादगार क्षण साझा कीजिए**

एक बार मेरी कक्षा का एक बच्चा, जो सामान्यतः बहुत शांत और आत्म-विश्वासहीन था, अचानक एक प्रस्तुति में आगे आया और पूरे आत्मविश्वास के साथ अपनी बात रखी। पूरी कक्षा ने तालियों से उसका स्वागत किया। उस दिन उसकी आँखों में जो चमक थी, वह मुझे आज भी याद है। वही क्षण मुझे हमेशा प्रेरित करता है कि हर बच्चे के भीतर प्रतिभा होती है, बस उसे सही अवसर और भरोसे की ज़रूरत होती है।

**आपका 'शिक्षक सुपरपावर' क्या है?**

मैं बच्चों की मौन भाषा पढ़ सकती हूँ। कई बार वे कुछ नहीं कहते, पर उनके हावभाव, आँखें, और व्यवहार बहुत कुछ बोल जाते हैं। मैं समझ पाती हूँ कि किसे प्रोत्साहन की ज़रूरत है, किसे थोड़ा और सुनने की, और किसे बस यह यकीन दिलाने की कि वह अकेला नहीं है।

**आप किस सहकर्मी की सबसे अधिक प्रशंसा करते हैं और उन्हें ख़ास बनाने वाली कौन-सी बातें हैं**

मैं अपनी सहकर्मी कनुप्रिया मैम की सबसे अधिक प्रशंसा करती हूँ। वो उप-प्रधानाचार्या के रूप में कार्यरत हैं। उनकी सबसे ख़ास बात यह है कि वे अत्यंत सौम्य, व्यवस्थित, दूरदर्शी और प्रेरणादायी नेतृत्व गुणों वाली हैं। वे हर कार्य को शांत स्वभाव, सटीक निर्णय क्षमता और सकारात्मक दृष्टिकोण के साथ करती हैं। उनके व्यवहार की विनम्रता और टीम को एकजुट रखकर आगे बढ़ाने की क्षमता उन्हें वास्तव में विशेष बनाती है।

# STUDENT OF THE MONTH

**DIVYA PRAKASH**

**What do you enjoy the most about your school?**

**In my school I enjoy the environment, greenery and the winds the most, our school is situated in the core of nature.**

**What have you learned from your friends at school?**

**At my school, I learned interacting with people from my friends.**

**Why are you proud to be a student at school?**

**As an individual I love social work and studying in my school always remind me of that thing and I am proud of that.**

**In one sentence, how would you describe your overall school experience?**

**A place where I grew, I laughed, I failed, I learned and the place I love the most after my home.**
