August -Edition

Junior Wing

Crafting the Nation with Young Hands

On 2nd August, an Inter-Class Decoration Competition was organized for Classes 3 to 5 on the theme “**Crafting the Nation.**”

Students worked together with creativity and enthusiasm to decorate their class soft boards. Beautiful posters, drawings, and craft items reflected their love and respect for the nation. Each classroom came alive with colorful ideas and inspiring messages. The activity not only encouraged teamwork but also gave students a chance to express their artistic skills. Teachers appreciated the efforts of every class, making it a joyful and memorable experience for all.

Sports Competition

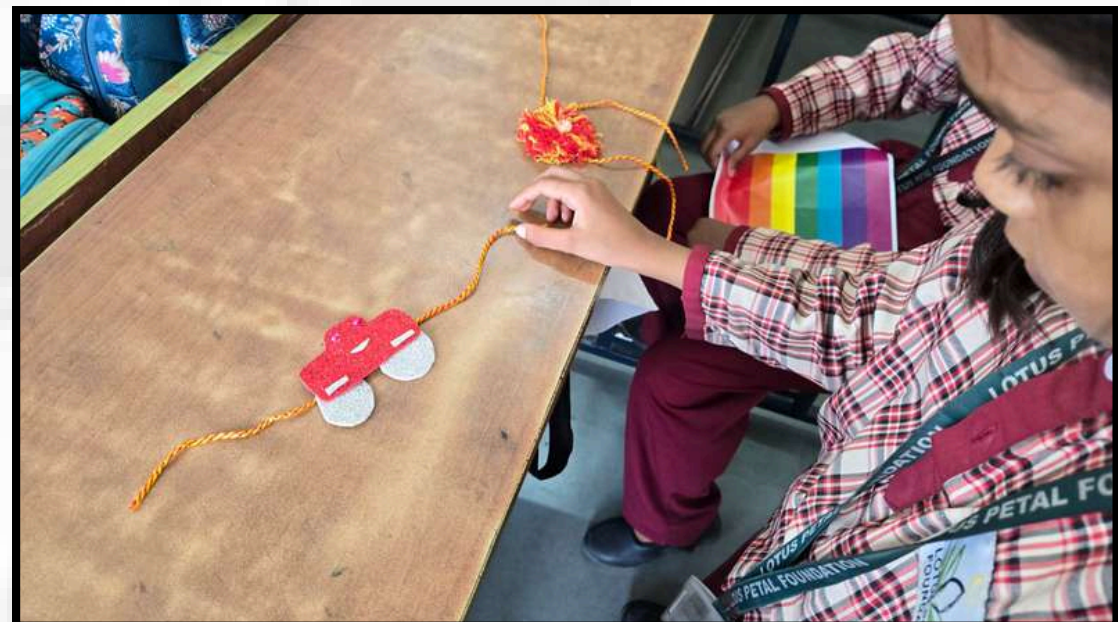

On 2nd August, the Pre-Primary stars of Vidyananda (Junior Wing) turned into playful ducklings as they waddled their way through the **Duck-Walk Race**. With tiny feet shuffling, arms flapping like wings, and faces glowing with joy, the ground echoed with giggles and cheer.

Each step was filled with excitement, every stumble brought laughter, and all children crossed the finish line like true winners. It was a delightful morning of fun, cuteness, and boundless energy from our little champions.

✨ Truly a quack-tastic race full of smiles and joy!

Little Stars, Big Celebrations!

On 2nd August 2025, our tiny tots spent a day filled with joy, creativity, and excitement.

In the **Rakhi Making Competition**, our Pre-primary children displayed their artistic talents by crafting beautiful and colorful rakhis, each filled with love and imagination. The classrooms buzzed with festive cheer as little hands worked wonders.

The activity not only helped children showcase their creativity but also taught them the values of love, bonding, and togetherness that the festival of Raksha Bandhan celebrates. Teachers guided and encouraged the little ones, while the children proudly carried their handcrafted rakhis home, eager to share them with their families.

The shining eyes and happy smiles of our young learners made the day truly memorable, leaving behind an atmosphere of warmth, festivity, and pride.

Periodic Assessments Begin

From 4th August 2025, the school commenced **Periodic Assessments** for Pre-Primary and Primary students. These assessments provided an opportunity for students to review their learning, strengthen concepts, and showcase their progress. Teachers guided students with encouragement, while parents supported them with positivity. With dedication and hard work, our learners confidently took steps forward in their academic journey.

Along with written assessments, **Oral Assessments** were also conducted to evaluate students' speaking, reading, and presentation skills, encouraging them to express themselves with confidence. In addition, the month of August also marked the beginning of **Subject Enrichment Activities (SEA)** across different subjects, which provided students with hands-on experiences and creative ways to deepen their understanding of concepts.

Bookmark Making Activity

On 6th August, to nurture creativity and a love for reading, a **Bookmark Making Activity** was organized for our Primary Wing learners. The children enthusiastically designed and decorated colorful bookmarks, each reflecting their imagination and personal touch.

The activity not only enhanced their fine motor skills through cutting, coloring, and assembling but also encouraged them to cherish books as their true companions. With joy and excitement, students crafted unique bookmarks and carried them home as a beautiful reminder that reading is both fun and meaningful.

This engaging activity truly celebrated the bond between children and books, making the library experience even more joyful and memorable. ✨

Young Artists Shine at Persistent Corporate Office

On 13th August 2025 (Wednesday), 22 talented students from Grades 3, 4, and 5 of the Primary Wing visited the Persistent Corporate Office for a special art activity. The theme was “Drawing and Painting for Independence Day,” where children expressed their creativity and patriotism through vibrant artworks.

The students were warmly welcomed by the employees, who not only admired their artistic skills but also engaged with them in an atmosphere of joy and encouragement. The event became more than just an art activity—it was a celebration of creativity, freedom, and shared experiences.

This unique visit gave the young artists a platform to showcase their talent outside the school, while also strengthening bonds between the school community and the corporate team. The day concluded with smiles, inspiration, and cherished memories for all.

🤝 Friendship Workshop for Primary Wing

On 18th August 2025, a special **Friendship Workshop** was conducted for the Primary Wing by Ms. Tamanna Rehman. The session focused on the values of kindness, sharing, and building strong bonds of trust. Children also learned that while friendship is precious, it is equally important to understand limits and boundaries—respecting personal space and knowing how to be a caring yet responsible friend.

Through fun activities and interactive discussions, students discovered how true friendship is built on respect, trust, and balance. The workshop left them smiling and inspired, reminding everyone that friendship is the key to happiness and harmony in school life.

Readers are Leaders: Interhouse Reading Competition

The Primary students enthusiastically participated in the Interhouse **Reading Competition**, which aimed to nurture a love for books and improve reading skills. The young participants read aloud with confidence, clarity, and expression, impressing everyone with their growing command over language.

The competition not only enhanced fluency and vocabulary but also encouraged children to explore the joy of storytelling and the power of imagination. Each performance reflected hard work, practice, and the guidance of teachers who motivated the students to do their best.

The event concluded with appreciation for all the participants, reminding everyone that reading is not just a skill—it is the key to knowledge, creativity, and lifelong learning.

Kahani Vaachan: Little Storytellers in Action!

On 23rd August, Pre-Primary wing came alive with the joy of storytelling during the **Interhouse Competition – Kahani Vaachan**. Our youngest learners confidently narrated stories with expressions, voice modulation, and creativity, leaving the audience captivated. The event not only enhanced their language and communication skills but also nurtured imagination and confidence on stage. Each child's unique performance reflected the magic of stories and the power of words, making the competition a delightful celebration of learning through fun. The competition was judged by Ms. Anjali, who motivated the children with her encouraging words and valuable feedback.

Noble House Assembly: The Value of Time

On 1st August 2025 (Friday), the Pre-Primary and Primary students of **Noble House** presented a meaningful and engaging **special assembly on the importance of doing work on time and avoiding procrastination.**

Through a lively skit, they depicted the story of a young student who often avoided his responsibilities but eventually learned that procrastination only brings stress, while timely effort ensures success.

The students performed with confidence and clarity, leaving the audience inspired with a valuable life lesson on discipline and time management.

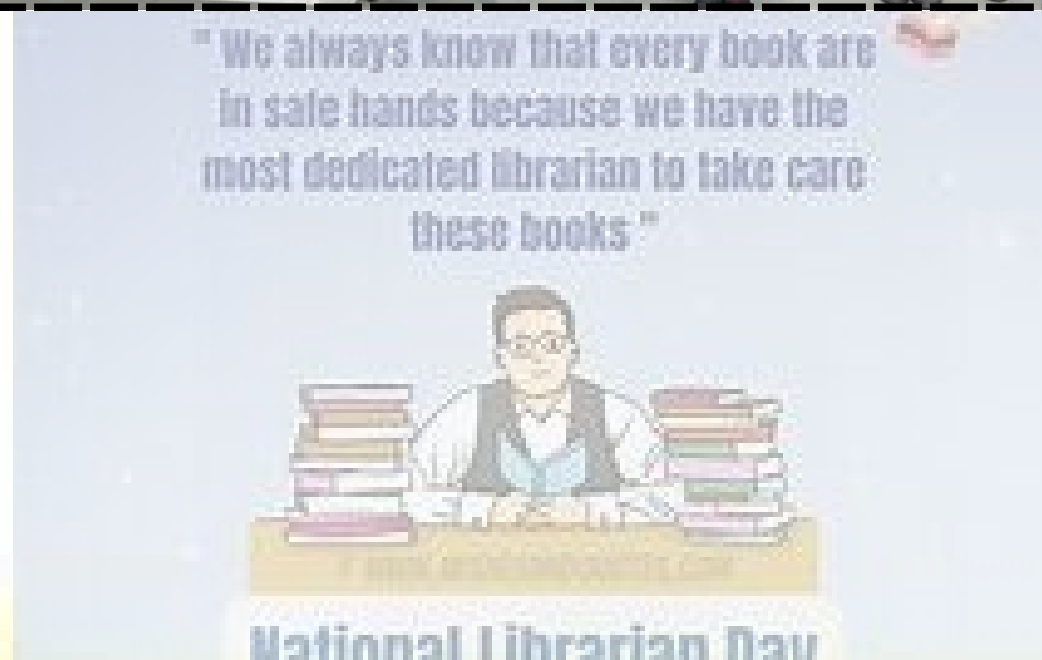

National Librarian's Day Assembly

The Primary Wing students conducted a **special National Librarian's Day Assembly** on 12th August to celebrate the importance of books and the library. Through poems, slogans, and skits, children highlighted how books are our best friends and how the library opens doors to knowledge, imagination, and creativity.

The assembly was a beautiful tribute to the role of librarians in guiding young readers and nurturing a love for learning. It reminded everyone that a library is not just a room of books, but a treasure house of wisdom.

Honouring our freedom, celebrating our heritage!

The 79th Independence Day at Lotus Petal Senior Secondary School was celebrated with great pride and enthusiasm. The event began with a grand parade and flag hoisting, filling the campus with patriotic spirit.

Our Chief Guest, Air vice Marshal L. N. Sharma, inspired everyone with his address on discipline, courage, and service, encouraging students to view the Armed Forces as a life of honour.

The cultural programme was a delightful showcase of talent and patriotism:

Nursery students presented a graceful dance to “My Beautiful Country in the World.”

LKG children sang a melodious song on unity in diversity.

Ruhina Khatun (G2A) portrayed Pt. Jawaharlal Nehru, confidently delivering his historic “Tryst with Destiny” speech.

Shanaya (G2A) and Abhishek (G2B) anchored the event with charm and clarity.

Grades 1–3 impressed all with ribbon and hula hoop P.T. drills.

Diksha & Zoya (Grade 5) captivated the audience with their melodious Radha-Krishna song, spreading harmony through music.

In his address, Kushal Sir reminded students of India's 10,000-year-old heritage, urging them to contribute to the nation's progress through education, awareness, and selfless action. On Independence Day, our Principal, Mrs. Srividya Sridhar also inspired the students with her motivating words on patriotism and responsibility towards the nation. The day concluded with hearts full of pride, inspiration, and the true spirit of India.

Humble House Assembly: Celebrating Unity in Diversity

On 22nd August, the Primary and Pre-Primary students of **Humble House** presented a thoughtful and inspiring morning assembly on the **theme Unity in Diversity**.

The program began with a talk on the life and values of Mahatma Gandhi, followed by a heartfelt poem dedicated to freedom and the sacrifices of our great leaders.

A vibrant cultural dance showcased India's rich traditions, with students in colorful attire representing different communities. The highlight was the Unity Dance, where all students came together to symbolize that despite varied faiths and cultures, we remain one nation, one people.

The assembly concluded with loud applause, leaving everyone with a renewed sense of pride in India's strength—its harmony, togetherness, and cultural richness.

Loyal House Assembly: One Nation, One Heartbeat

On 28th August, the Primary and Pre-primary Wing students of **Loyal House** presented a thought-provoking special assembly on the **theme Unity in Diversity**.

Through a powerful silent play, they depicted how different religions and cultures contribute their unique values to the world. The highlight came when students united, holding the Indian flag high, symbolizing that true joy lies in harmony and togetherness.

The performance beautifully reflected the spirit of national pride and conveyed the timeless message that despite our differences, we are One Nation, One People.

Ek Bharat Shreshtha Bharat: Celebrating Unity in Diversity

The Primary Wing conducted a **special assembly** on 29th August under the **Ek Bharat Shreshtha Bharat Club**, highlighting the cultural richness of Haryana and Manipur.

Students shared interesting facts about traditional food, dance forms, and festivals of both states, along with lively performances showcasing India's vibrant diversity.

The assembly beautifully conveyed the message that though traditions may differ, our unity as Indians makes us stronger—truly reflecting the spirit of “**Unity in Diversity.**”

Nurturing Creativity: Teachers' Learning & Development Journey

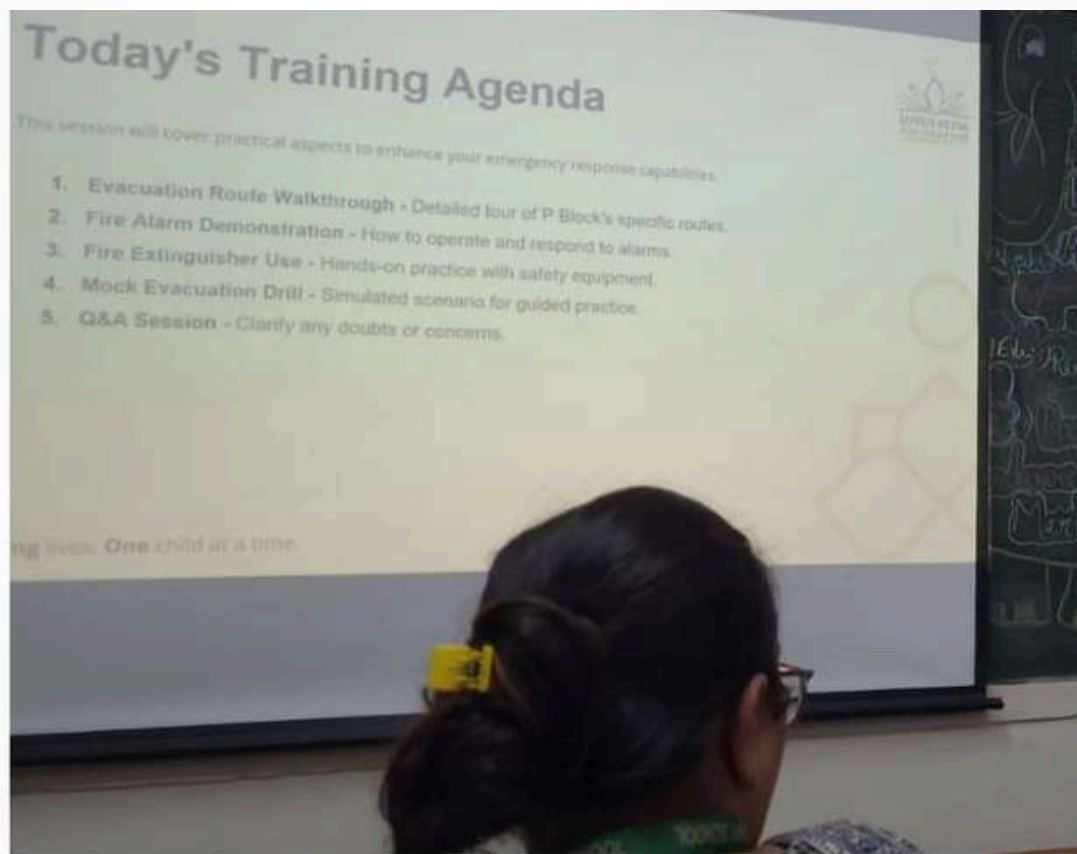

At The Lotus Petal Senior Secondary School – continuous growth and learning are at the core of our teaching practices. On 6th August 2025, our Vidyananda teachers commenced a 5-week Learning & Development Program on Expressive Arts in Transition.

This initiative aims to help teachers explore the power of music, movement, storytelling, and creative expression in early childhood education. By engaging with these art forms themselves, teachers will be able to bring fresh ideas, joy, and innovative methods into their classrooms.

Such professional development ensures that our young learners continue to experience an enriching and holistic environment—one that nurtures not only academics, but also imagination, confidence, and emotional well-being.

Safety First: Fire Evacuation Training for Teachers

On 13th August 2025, a special training session was organized for teachers on the **safe evacuation of students** during a fire emergency. The session was conducted by **Mr. Rahul**, who shared valuable insights through a detailed PPT presentation. The training highlighted quick response strategies, essential safety measures, and techniques to guide children calmly to secure areas. Teachers actively learned how to handle emergencies with confidence while ensuring the well-being of every student.

This preparedness initiative truly reflects the school's strong commitment to providing a safe and secure environment for all learners.

Discipline with Dignity: Say No to Corporal Punishment

On 28th august, a highly insightful workshop on the Harmful Effects of Corporal Punishment was conducted by Ms. Tamanna Rehman, School Counsellor, for the teaching staff. The session focused on creating awareness about the negative impact of both physical and verbal punishment on children.

Ms. Tamanna explained that while harsh words, physical force, or shaming may seem effective in the short term, they often lead to long-term psychological, emotional, and behavioral issues. Research findings shared in the workshop revealed that children exposed to corporal punishment are more likely to develop aggression, face academic difficulties, and lose trust in teachers.

The workshop emphasized fostering discipline through empathy, respect, and compassion. Practical strategies such as setting clear routines, using non-verbal cues, building trust, and reinforcing positive behavior were discussed.

Teachers were also reminded about the importance of self-care, as a calm and balanced teacher creates a nurturing classroom environment.

Teacher's Leadership Development Program: AI in Education

On 27th August 2025, a Leadership Development Program on “AI Integration with Education” was conducted by Mr. Azim from Sharda University for our teachers. The insightful session explored how Artificial Intelligence can transform classrooms by making learning more engaging, personalized, and effective. Educators gained innovative strategies to integrate AI tools into their teaching, preparing them to shape future-ready learners and foster a culture of innovation in education.

Workshop on Workplace Resilience & Well-being

On 27th August 2025, a meaningful workshop on “Building Workplace Resilience and Well-being” was conducted for LPSSS, Vidyananda teachers, and female changemakers. The session emphasized the importance of mental strength, emotional balance, and positivity in creating healthier workplaces. Participants gained valuable insights and practical strategies to manage stress, nurture resilience, and foster a supportive environment, leaving them motivated to build stronger minds and happier spaces.

Teacher's Workshop on Donor Reporting

On 27th August 2025, teachers attended an insightful workshop on “Donor Reporting”, which focused on strengthening their reporting and documentation skills. The session equipped educators with practical tools to present information effectively and professionally, enhancing their capacity to create impactful reports and communicate progress with clarity.
