A Day of Gratitude - Teachers' Day Assembly

"A teacher plants the seeds of knowledge that grow forever."

Teachers' Day, a day filled with gratitude and love, was celebrated with great enthusiasm at Lotus Petal Secondary School on 5th September. The school campus came alive with joy as students from every department in a special assembly participated dedicated to their mentors. The event was graced by Ms. Deepali Chaudhary and Mr. Rahul Chaudhary, who honored the occasion as the Guest of honor. Our Principal, esteemed Mrs. Srividya Sridhar, highlighted the invaluable of contributions Dr. Sarvepalli Radhakrishnan to the field of education and expressed heartfelt gratitude to both students and teachers for making the celebration truly memorable. The highlight of the day was the vibrant ramp walk by teachers, showcasing their spirit, followed charm and refreshing teachers' outing. The celebration beautifully reflected the bond between teachers and students, making it a cherished tribute to the guiding lights of education.

On 6th September (Saturday), the Noble House students showcased their knowledge about animals in a vibrant house assembly. They presented fascinating facts about various species, highlighting their unique characteristics, habitats, and adaptations. The students' enthusiasm and confidence shone through as they shared their insights about the animal kingdom. The engaging presentation not only sparked curiosity but also promoted awareness about wildlife conservation. It was an informative, fun, and educational experience that left a lasting impression on both students and the audience.

Lighting the Path of Knowledge - Skit on International Literacy Day Assembly

On 8th September 2025 (Monday), the students of Class 4B presented a wonderful and thought-provoking skit during the morning assembly to mark International Literacy Day. The assembly was filled with enthusiasm, creativity, and a powerful message about the importance of literacy in shaping lives.

Through their performance, the young learners beautifully conveyed that literacy is not limited to reading and writing but is about gaining knowledge, empowering individuals, and building a stronger society. They highlighted that education opens doors to opportunities and that each one of us has a role to play in spreading literacy. The skit emphasized that even small steps—like teaching a friend, neighbor, or family member—can make a big difference.

The performance was engaging, meaningful, and left the audience inspired. The confidence, clarity, and teamwork of the students reflected their preparation and dedication. The assembly reminded everyone that literacy is the foundation of progress, and by sharing knowledge, we can truly create a brighter and more empowered future.

On September 11th (Thursday), Ideal House presented a vibrant and meaningful assembly celebrating Hindi and India's rich linguistic diversity. The students delivered a thought-provoking skit that beautifully highlighted the importance of languages in fostering unity and cultural pride. Through their performances, they showcased the significance of Hindi while also appreciating the beauty of other regional languages, promoting a spirit of respect and inclusivity. The assembly was a wonderful display of creativity, expression, and teamwork, reminding everyone of the invaluable heritage that India's languages represent. It was indeed an educational and inspiring experience for all.

Hindi – The Soul of Our Nation Special Assembly

On 12th September, Primary wing of Lotus Petal Senior Secondary School celebrated Hindi Diwas with great enthusiasm and reverence for our official language. The program began with a heartfelt Hindi speech by students, expressing pride in the language and its cultural significance as a unifying force in our diverse nation.

Students presented a vibrant dance symbolizing how Hindi connects people across regions, followed by a melodious group song, "Hindi Hamari Matra Bhasha Hai," which filled the atmosphere with love and patriotism.

To honor the pioneers of Hindi literature, students dressed as famous writers like Sarojini Naidu, Munshi Premchand, and Harivansh Rai Bachchan, confidently sharing details about their lives and works.

The assembly beautifully blended learning and celebration, showcasing students' creativity, confidence, and respect for Hindi. It inspired everyone to cherish and take pride in our matra bhasha, the language that unites our hearts.

On 25th September, Primary Wing students of Lotus Petal Senior Secondary School conducted an exciting and educational Stem Club Assembly with great enthusiasm and confidence. The program began with students explaining the full form of STEM and highlighting the importance of Science, Technology, Engineering, and Mathematics in our everyday lives. They also shared inspiring thoughts on how STEM nurtures curiosity, innovation, and problem-solving skills among young learners.

The highlight of the assembly was a live science experiment, where students demonstrated an acid-base reaction, showing how water changes color when mixed with substances like turmeric, vinegar, lemon juice, and detergent. Their confident explanations and assurance of safety made the demonstration both informative and fun.

The activity sparked curiosity among the audience, turning learning into a joyful experience of exploration and discovery. The efforts of the students and teachers were truly commendable, as the assembly beautifully captured the essence of learning by doing and inspired everyone to see science as an exciting adventure.

On 29th September 2025 (Monday), the Pre-Primary and Primary Wing students of Humble House conducted a vibrant assembly on the theme "How Teachers Make Every Subject Fun." The program beautifully captured the essence of a teacher's role in shaping young minds—not only by imparting knowledge but also by making learning enjoyable and memorable. The assembly began with a heartfelt poem by Pre-Primary students, expressing their gratitude and admiration for teachers' guidance and inspiration. The highlight was an engaging skit by Primary Wing students, showcasing how teachers transform challenging subjects into fun, interactive lessons through creative methods, activities, and reallife examples. Each teacher, whether from Mathematics, Science, Languages, Arts, or Physical Education, was celebrated for their unique contribution to a balanced and meaningful school life. The event concluded with sincere appreciation for teachers' dedication, patience, and tireless efforts, reflecting the students' love, respect, and admiration for their mentors.

Fun, Frolic, and Fitness: Musical Chairs for Pre-Primary

On 6th September 2025, the Pre-Primary Wing students participated in an exciting Musical Chairs Competition. The event was filled with laughter, cheer, and healthy competition as the little ones enthusiastically moved around the chairs to the lively music. Their joy and energy lit up the atmosphere, while the game helped them build alertness, listening skills, and a spirit of sportsmanship.

The day truly reflected the school's commitment to nurturing both fun and fitness among its youngest learners.

Sports Meet with a Twist - Spelling Verb Relay

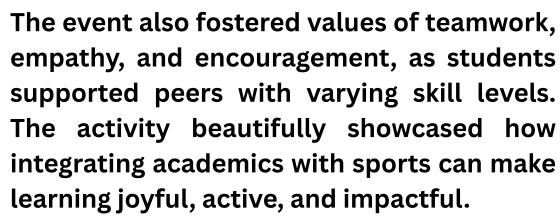

On 6th September 2025, the students of Grades 3 to 5 at LPSSS participated in an exciting Sports Competition with subject integration in English. The game, titled "Spelling Verb Relay," combined physical activity with language learning, making the event both educational and fun.

In this activity, the teacher called out or showed flashcards with action verbs such as jump, hop, skip, run, or crawl. The students not only performed the given action but also completed the relay race following the verb instructions.

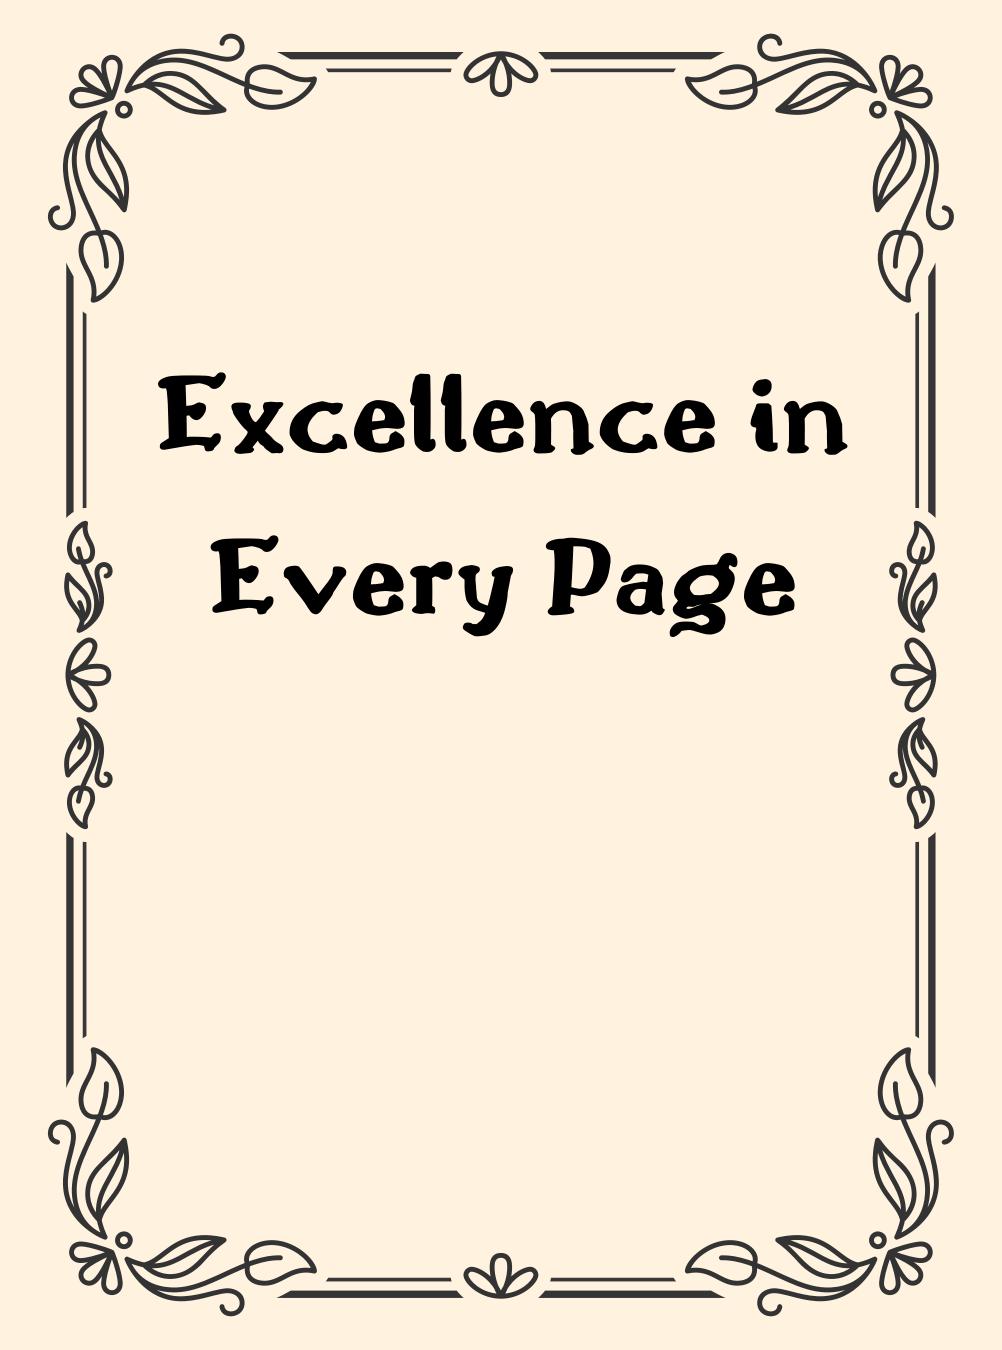

competition aimed The reinforce to vocabulary and grammar in context while making English learning more dynamic. practiced listening Students and responding oral to instructions, used sports-related vocabulary, demonstrated the correct usage of action verbs.

Cultivating Neatness and Discipline through Notebook Checking

September, On 3rd Notebook Checking Activity was conducted in **Pre-Primary and Primary** both the wings. The activity aimed to encourage children to maintain neat, organized, and complete work in their notebooks. carefully **Teachers** reviewed the notebooks, appreciating students' efforts while guiding them towards better handwriting, presentation, and regular practice.

This exercise not only promotes discipline and responsibility but also nurtures a sense of pride in keeping their work tidy and well-maintained. It was truly inspiring to see our young learners taking ownership of their learning journey through well-kept notebooks.

Trash to Treasure: Recycle, Reuse, Reimagine!

The activity integrated multiple skills:

Science – learning about environmental awareness and material properties

Technology & Engineering – problem-solving and designing functional items

Mathematics – measuring, estimating, identifying shapes, and patterns

The young innovators amazed everyone with their creativity and resourcefulness. The initiative not only strengthened their STEM skills but also reinforced the message that waste can truly be turned into wonderful treasures with imagination and effort.

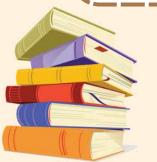

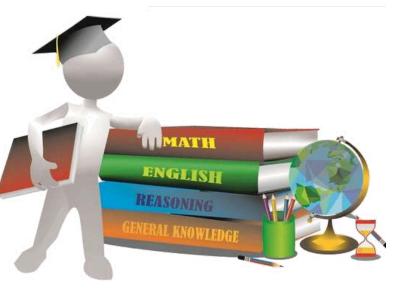

Term-1 Examinations

Term-1 exams were conducted for the Primary and pre- primary Wing of Lotus Petal Senior Secondary School from September. The students prepared diligently, revising their lessons and practicing their skills across all subjects. The examinations were aimed at assessing their understanding, self-discipline, identifying encouraging and areas improvement to promote holistic learning. Teachers extended their guidance and support throughout the examination period to ensure a smooth and confident experience for every student. The school wished its young learners the very best and motivated them to approach the exams with focus, sincerity, and a positive attitude.

Healthy Plate, Happy Me! Stem Club Activity

On 20th September, the Primary Wing of Lotus Petal Senior Secondary School conducted a STEM Club activity titled "Healthy Plate, Happy Me." Students brought a variety of sliced fruits and salads from home and enthusiastically decorated colorful fruit platters in their classrooms. The activity aimed to promote healthy eating habits and awareness about the importance of a balanced diet.

Teachers and students together enjoyed the delicious fruit chaats and salads, creating a joyful and refreshing experience. The activity not only encouraged creativity and teamwork but also highlighted how science and health go hand in hand for a happy life.

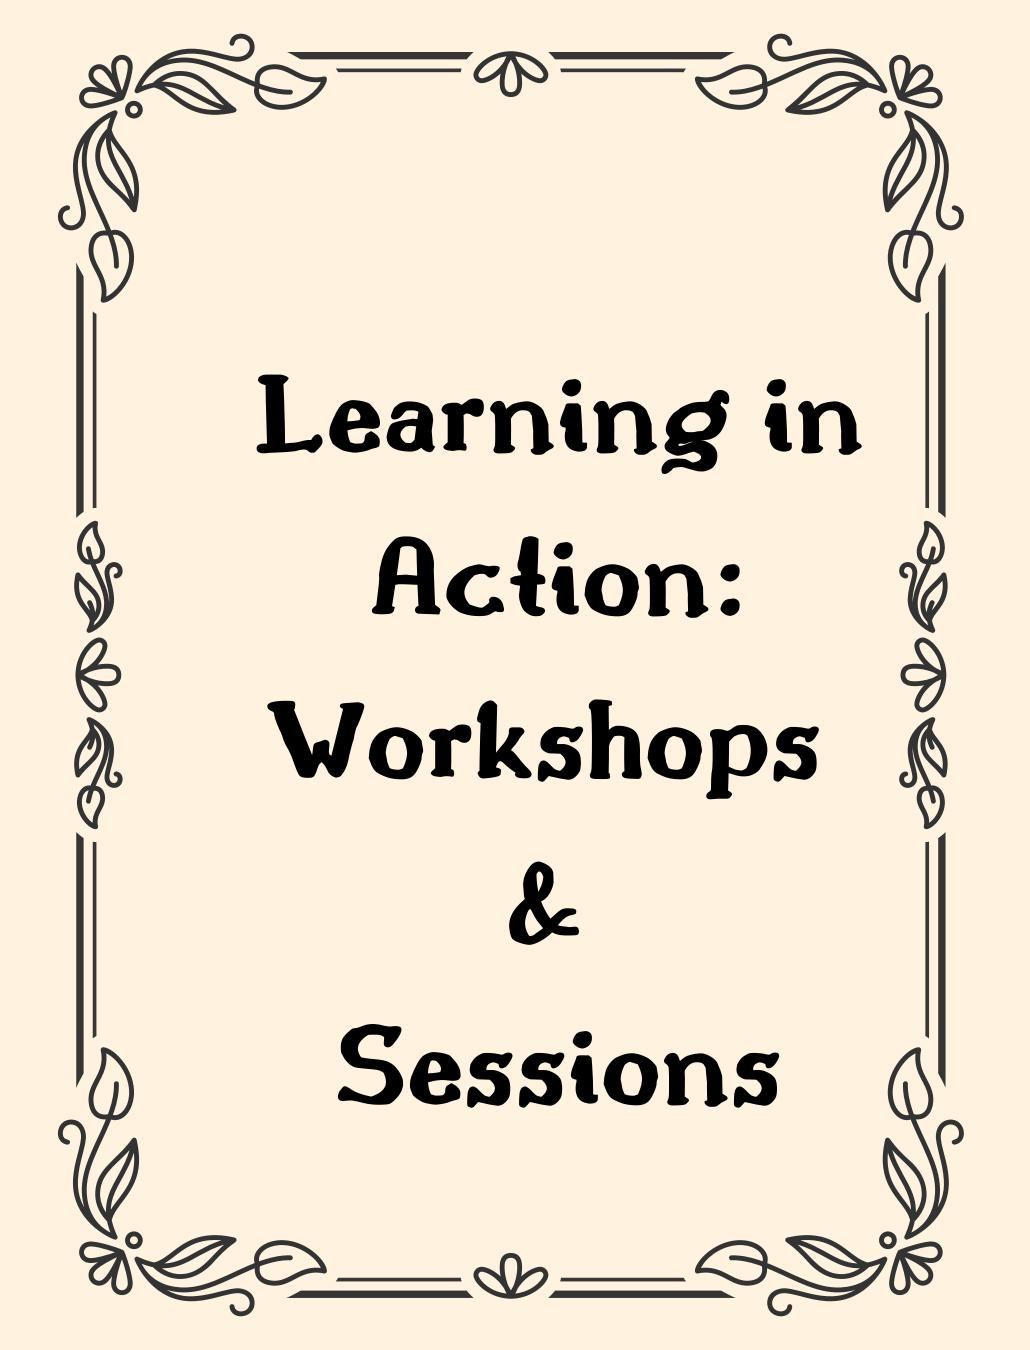

Session on Policies of LPF

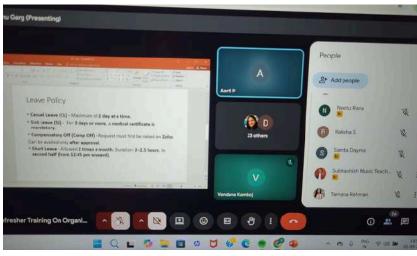

On 2nd September 2025, Ms. Arti Paul conducted an informative session on the Policies of LPF. The session aimed at familiarizing participants with the objectives, guidelines, and frameworks of the LPF, ensuring better understanding and alignment with its vision.

Ms. Paul highlighted the importance of these policies in streamlining practices, maintaining consistency, and achieving the larger goals of the foundation. The session was interactive, allowing participants to clarify their queries and share reflections. The discussion proved to be highly valuable, as it not only strengthened awareness about the policies but also motivated everyone to implement them effectively in their respective domains.

Admiral Solutions: Spreading Creativity Through Engagement

On 22nd September, representatives from Admiral Solutions visited Lotus Petal Senior Secondary School for an exciting Employee Engagement Activity with the students. The session was filled with fun, creativity, and learning as the team conducted a "Best Out of Waste" activity, encouraging students to reuse materials in innovative ways.

Students enthusiastically participated, transforming everyday waste items into beautiful and useful creations. The activity not only nurtured creativity and teamwork but also spread awareness about the importance of recycling and sustainability. The visit created a joyful and inspiring atmosphere, leaving both students and visitors with lasting memories of learning and collaboration.

Working with Energy: A Journey Toward Inner Balance and Leadership

The TLDP Workshop on "Working with Energy" was held on 24th September in the Performing Arts Room, P Block, facilitated by Ms. Anjai Kanwar. The session emphasized that energy is a vital yet often overlooked aspect of effective leadership.

Participants explored how energy flows within and around us, learning practical techniques to cleanse, harness, and channel it positively. The workshop focused on developing emotional agility, transforming stress into effortless productivity, and cultivating a sustained high-energy state to enhance performance and wellbeing.

CBSE Life Skills Workshop: Enhancing Competencies

On 24th September, a CBSE Life Skills Workshop on Domain 1 was conducted at Lotus Petal Senior Secondary School, facilitated by our esteemed Principal Mrs. Srividya Sridhar and Vice Principal Mrs. Kanupriya. The workshop focused on developing essential life skills, helping educators understand strategies to nurture students' personal, social, and emotional growth. The interactive session emphasized practical approaches to strengthen students' decision-making, problem-solving, and interpersonal skills. It was an insightful and enriching experience for all participants, highlighting the importance of life skills in fostering holistic development and preparing students for real-world challenges.

POCSO Awareness Workshop

On 29th September, a POCSO (Protection of Children from Sexual Offences) workshop was conducted for Primary Wing students by Ms. Tamanna and Ms. Vaneeta. The session aimed to educate children about personal safety, good touch and bad touch, and the importance of speaking up in uncomfortable situations. Through engaging discussions and age-appropriate examples, the facilitators helped students understand how to stay safe, seek help, and respect boundaries. The workshop encouraged confidence, awareness, and trust, ensuring that every child feels protected and empowered.

Heart of Art Competition

Students from Nursery to Class 5 enthusiastically participated in the Intra-School Art Competition, a vibrant platform to showcase creativity and imagination. The event was filled with colors, ideas, and expressions of young talent.

The winners were honored with medals and certificates for their outstanding performance:

- 🏅 Nursery 1st: Divya | 2nd: Kiyara Khan | 3rd: Om Raj
- 🏅 KG 1st: Lakki | 2nd: Shubh | 3rd: Arohi
- 🏅 LKG 1st: Sonakshi | 2nd: Ikansh | 3rd: Anshi
- 🏅 Class 1 1st: Shivam | 2nd: Samim | 3rd: Ansh
- 🥉 Class 2 1st: Sanaya | 2nd: Guddan | 3rd: Divyanshi

The competition not only celebrated artistic expression but also encouraged confidence, creativity, and joy among children. Truly, it was a day where every child was a winner at heart.

Our students enthusiastically took part in various competitions held at American Montessori Public School. Their creativity and confidence were truly commendable.

Vaanya (UKG) participated in the Mask Making Competition.

Anshu (UKG) showcased her talent in the Fancy Dress Competition.

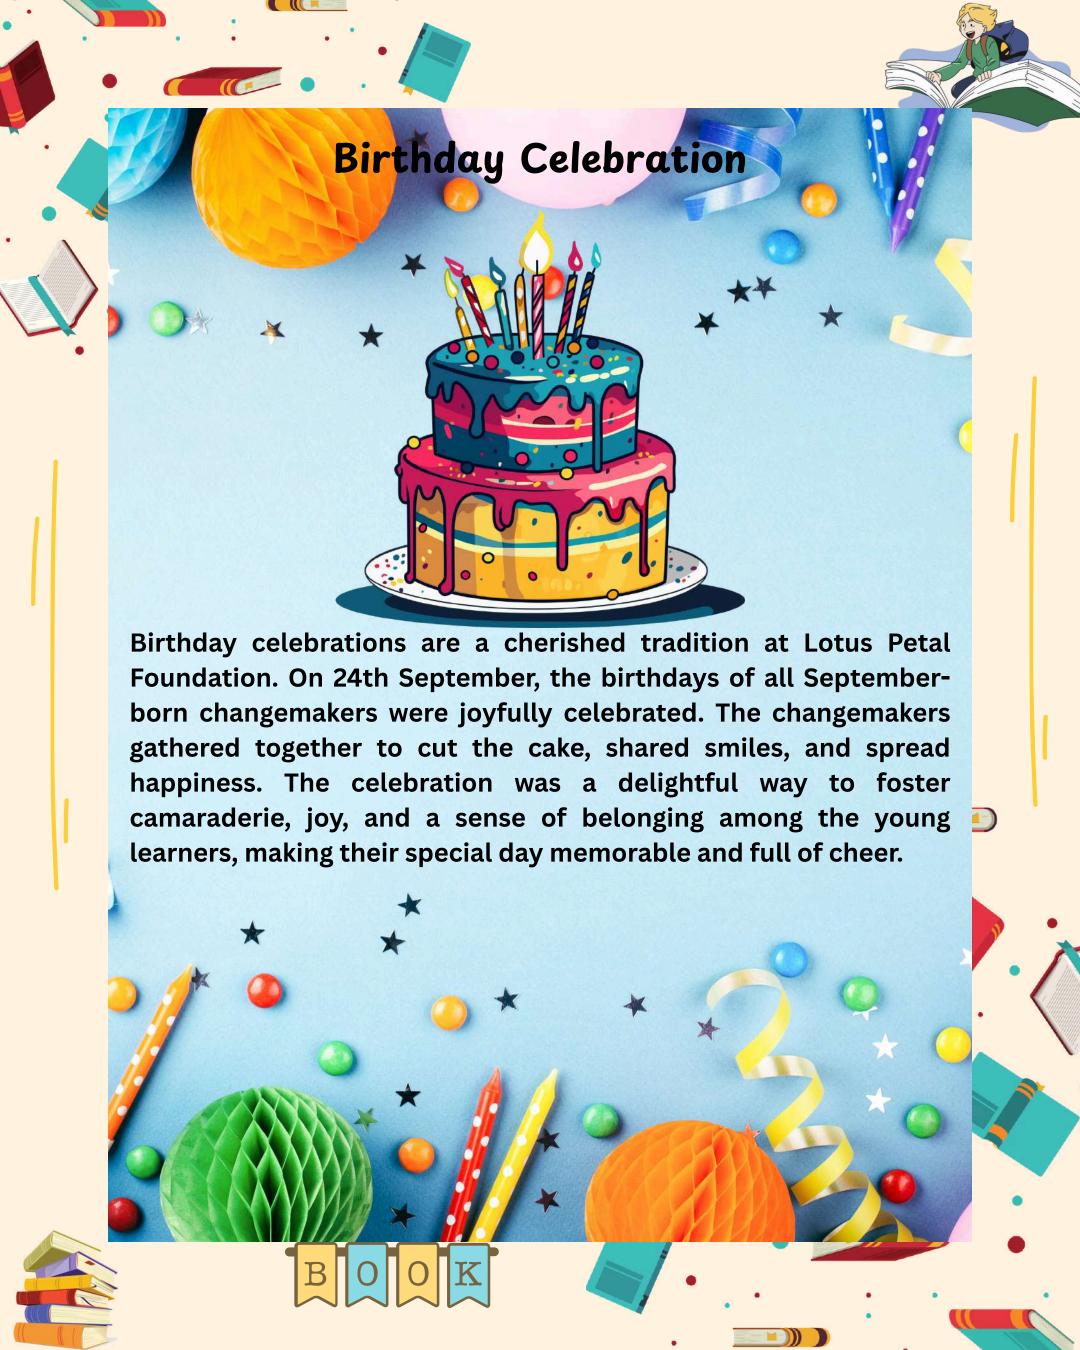

Prem Sager (Class 2) displayed his artistic skills in the Poster Making Competition.

Minsarina and Saraswati participated in fire less cooking competition.

We are proud of our young learners for representing the school with such enthusiasm and creativity! *

EK PED MAA KE NAAM 2.0: Planting Trees, Nurturing Love

September, the Primary Wing students enthusiastically participated in a meaningful tree plantation drive, an initiative by CBSE named EK PED MAA KE NAAM 2.0. As part of this campaign, students planted trees alongside their mothers, symbolizing love and care for two mothers — the Earth and their biological mother. The activity aimed to instill environmental awareness and responsibility among young learners while emphasizing the importance of protecting and nurturing nature. Students not only learned the proper way to plant and care for saplings but also understood the significance of trees in sustaining life on Earth. The event became a memorable family experience, strengthening the bond between students and their mothers while fostering a sense of community and teamwork. Through this initiative, the students expressed their commitment to preserving nature and contributing to a greener, healthier planet. The drive was a perfect blend of learning, love, and action, leaving a lasting impression on everyone involved.
